Positions are non-paid but are valuable for learning and resumes. The Student Editor and, in some cases, the staff are in charge of hiring for the positions listed on this application. A committee using a different application process hires the Student Editor of the newspaper.

Submit this application, work sample(s)* and class/work schedule** to the office of Mattie Watson, Burns Hall 1324.1 (in the Biology and Sciences wing) or Linda Long, Burns Hall 1006 (in the Arts And Communications wing).
