Course Number

1053G

Course Title

Fundamentals of Journalism

Catalog Description

Introduces students to the skills of observation, critical thinking and the concise, correct, accurate writing required in all aspects of journalism, as well as to the technology needed in upper level courses. Practice using references for grammar and journalistic style. This course is a prerequisite for upper-level journalism courses at institutions that offer a journalism degree. The course includes a short-term study abroad experience.
