## INTRODUCTION

The NorthWest Arkansas Community College Fact Book for Fall 2007 is produced by the Office of Institutional Research and outlines enrollment, faculty, financial and other comprehensive information for NorthWest Arkansas Community College.

All enrollment data in this document were based on the enrollment of the college at the end of the eleventh class day. All fiscal year data were collected as of June 30th, 2007. The definitions and guidelines used to compile this information are provided by the Integrated Postsecondary Education Data System (IPEDS) and the Arkansas Department of Higher Education. Definitions and guidelines unique to the institution will be noted on individual tables.

Copies of this document may be found in the offices of each College Cabinet Member, the Enrollment Management Committee, and in the Office of Institutional Research. In order to make the information more readily available to all constituents, the Institutional Research web site will provide limited Fact Book information. The site may be reached at http:/www.nwacc.edu/institutionalresearch/index.php.

The Fact Book will be updated prior to December 1 each year.

Inquiries and comments regarding this document may be directed to the Office of Institutional Research, NorthWest Arkansas Community College, One College Drive, Bentonville, AR 72712, by telephone at (479) 619-4399, or by e-mail at kpurdy@nwacc.edu.

## Highlights Fall 2007

- Enrollment topped 6,000 for the first time in school history 6,470 students.
- Headcount increased $12.9 \%$ and SSCH increased $13.1 \%$.
- Hispanic students now comprise $10 \%$ of our student body.
- 1,299 first-time freshmen make up $20 \%$ of our student body.
- To earn a degree or earn credits to transfer is the reason $74 \%$ of students attend NWACC.
- The majority of NWACC students live in Benton and Washington Counties.
- Over 20\% of 2007 High School graduates from Rogers, Bentonville, Pea Ridge and Springdale enrolled at NWACC this fall.
- Although the number of students requiring remediation for Math, English and Reading increased, the rate of remediation fell from Fall 2006 levels.
- The average composite ACT score of incoming freshmen rose to 20.2.
- The retention rate of all students (except 2007 NWACC graduates and high school students) rose to $44.5 \%$. The national average is $51.6 \%$ for 2 -year colleges.
- $25 \%$ of our students received Federal and/or State Grant Financial Aid.
- For Academic Year 2007 (July 1, 2006 to June 30, 2007) NWACC served over 16,000 students through collegecredit classes, workforce development classes, community education, adult education and students at the Regional Technology Center.

## BOARD OF TRUSTEES

Members of the Board of Trustees of NorthWest Arkansas Community College were initially appointed by former Governor Bill Clinton. Board members are now elected by position in groups of three each even numbered year at the general election.

Board Members and the city they represent:

| Chair | Mr. Mark Lundy | Lundy Allard \& Co., PLLC <br> Rogers |
| :--- | :--- | :--- |
| Vice Chair | Mr. Coleman Peters | HollisEnterprises, LLC <br> Bentonville |
| Secretary | Dr. Les Carnine | Retired School Superintendent <br> Rogers |

## RGANIZATIONAL CHART

## History, Role And SCOPE

The NorthWest Arkansas Community College District was authorized on August 15, 1989, when voters in the Rogers and Bentonville public school districts passed a 3-mil tax. The first classes were attended by more than 1,200 students in the fall of 1990 at high schools, chambers of commerce, municipal and leased facilities throughout the district.
Burns Hall opened its doors to just more than 2,400 students in August 1995. The main building is a multipurpose facility on 131 acres of land at Exit 86 of Interstate 540 on the Rogers and Bentonville, Arkansas, city limits. The 181,000 square-foot facility houses the College, Pauline Whitaker Library, lecture halls, laboratories for computers, science, nursing and allied health; music and art studios, and faculty and administrative offices.

Day, evening, and weekend classes are offered at the Burns Hall, as well as at locations throughout the service district. At the College s Shewmaker Center for Workforce Technologies, a 44,000 square foot facility on Southeast Eagle Way, west of Burns Hall, customized programs are offered to area businesses. The College s Adult Education Program, which serves over 3,000 students a year, is located in Rogers. Opened in Bella Vista in the Fall of 2004 was College at the Crossings. The Regional Technology Center, an area secondary education center, opened August 2005. A new student center and parking garage opened in the Spring of 2007.
In serving a dynamic region of the state, NorthWest Arkansas Community College recognizes the importance of providing varied and abundant opportunities for learning.
NWACC is a comprehensive, learning-centered two-year college dedicated primarily to meeting the educational needs of its service area. NWACC offers a comprehensive education program including, but without limitation, technical occupational programs, freshman and sophomore programs for students to transfer to four-year colleges, specialty courses, professional continuing education courses, community enrichment classes, and business and industry training to meet the needs of the emerging and existing workforce. Part-time and full-time students are valued equally.

## NWACC MISSION STATEMENT

NorthWest Arkansas Community College is a comprehensive, public two-year college that serves and strengthens the community through learning for living.

## NWACC VALUES STATEMENT

In order to accomplish our mission and goals we

- Cherish academic, professional and personal integrity
- Facilitate continuous learning for students and stakeholders
- Value human resources over physical resources
- Develop the potential of the individual to achieve excellence
- Anticipate and respond to needs by encouraging innovative ideas and technologies
- Respect our differences and view them as a strength
- Advance knowledge through individual and team challenges

## STRATEGIC PLAN - 2006-2008

NorthWest Arkansas Community College will become a premier educational provider in northwest Arkansas by developing a responsive educational delivery system customized to the needs of learners and receiving organizations.

## 1. For the student community we will:

provide expanded access to educational opportunities for the
population in general, but especially for under-served learners
in all age groups who are disconnected from education by
choice or circumstance.
2. For the business community we will:
enhance partnerships and collaborations with business and industry through innovative approaches to design and delivery of training.
3. For the owner community (taxpayers) we will:
a. enhance NWACC s capacity to achieve its initiatives by diversifying its resource base.
b. develop into a hub and function as a catalyst for comprehensive regional planning and development encompassing all sectors of the community.
4. For the pre-kindergarten through grade 16 community we will:
forge a systemic linkage with $\mathrm{P}-16$ and University partners to achieve seamlessness in curriculum, technology and student support and service delivery.
5. For the college community we will:
align the organizational infrastructure of NWACC with College growth.

Date Approved: April 10, 2006
Revised: September 11, 2006

## ACCREDITATION

In February 2000 NorthWest Arkansas Community College was granted continued accreditation for 10 years by The Higher Learning Commission and is a member of the North Central Association of Schools and Colleges,
www.ncahigherlearningcommission.org, 312-263-0456.
In July 2006, NWACC was approved for the Academic Quality Improvement Program (AQIP) process of re-accreditation. AQIP infuses the principles and benefits of continuous improvement into the culture of colleges and universities by providing an alternative process through which an already-accredited institution can maintain its accreditation from the Higher Learning Commission.

1-479-936-5131

## Western Benton County RTC*

201 South Giles
Gentry, AR 72734
*Regional Technology Center and Adult Education Department satellite branch on
the campus of Gentry Pubic Schools. Opened August 20, 2007.

## DEGREE PROGRAMS

## Associate Degree Programs

## Associate of Arts Degree (AA)

The Associate of Arts (AA) degree is a general education program in the liberal arts. Courses taken in the approved core curriculum will also apply toward baccalaureate degree requirements at most four-year institutions. Elective classes will either apply toward baccalaureate degree requirements or will transfer as elective credits.

## Associate of Arts Teaching Degree (AAT)

The Associate of Arts in Teaching Degree provides opportunities to study principles of education while completing associate degree requirements. Articulation agreements exist at most Arkansas universities enabling students to transfer directly to those institutions or begin their careers as credentialed paraeducators. The AAT degree is offered with a major emphasis in one of the following:

## Middle School Math/Science P-4 Option

Middle School Language Arts/Social Science

## Associate of Science Degree (AS)

The Associate of Science Degree is a transfer degree designed for the student who wishes to major in the sciences, mathematics, engineering, business or pre-medicine. Another Associate of Science Degree focuses on Agriculture, Food and Life Sciences. The requirements for these majors are usually heavily loaded with mathematics and science courses.

## Associate of General Studies Degree (AGS)

The Associate of General Studies degree is designed for students who wish to tailor a degree program to meet their personal educational enrichment goals. This degree is not designed to transfer to a bachelor s degree program nor is it designed for employment in a specific field. Rather, students work with an advisor to identify an area of emphasis and select courses that meet the student s educational needs or desires.

## Associate of Applied Science Degree (AAS)

The college offers Associate of Applied Science degrees in many different career areas. These degrees are designed for students seeking to have concentrated training in a chosen career area to enter the workforce directly after graduation. Each degree offers general education courses plus a combination of professional courses with different emphases depending on the career area. These degrees are considered terminal. Any student deciding to transfer coursework to a baccalaureate institution should be prepared for a limited transfer of courses toward such a degree program.

## Associate of Applied Science Degrees

Aviation Technology
Airframe/Power Plant Maintenance Option
Business Management
Accounting Technology Option
Banking and Finance Option
General Business Option
Retailing Option
Computer Aided Drafting and Design
Architecture and Landscape Architecture Options
Engineering and Mechanical Engineering Options
Computer Information
Computer Networking Option

## Washington County Facilities:

Washington County Center, NTI, RTC, AATC, Wash Co Sheriff's Office
Does not include Step Ahead students taking classes at their respective high schools.
*Fall 2006 increased caused by RTC changing from offering Step Ahead classes to offering regular college credit classes

## GLOSSARY

## Academic Year

NWACC Academic Year is July 1 - June 30, comprised of Summer II, Fall, Spring, Summer I semesters.
ADHE
This is an acronym for the Arkansas Department of Higher Education. The ADHE has the authority to review, approve or discontinue degree programs at public colleges or universities.

## Census Date

The end of the eleventh day of classes in a regular term and the end of the fifth day during each summer term.

## CIP Code (Classification of Instructional Programs)

A numerical classification and standard terminology for secondary and postsecondary instructional programs. CIP codes are used by colleges nationally to report various instructional program data to the U. S. Department of Education and other government and higher education organizations.

## Concurrent Credit Course

A course for which both high school and college/university credit is awarded to a high school student.

## Continuing student

A student previously enrolled during the previous regular academic term at NWACC. Summer sessions are not considered to be a regular academic term.

## Credit Hour

A unit of measure representing an hour ( 50 minutes) of instruction over a 16 -week period in a semester. It is applied toward the total number of hours needed for completing the requirements of a degree, diploma, certificate, or other formal award.

## Enrollment

A student who is counted on a headcount basis as registered on the census date for the reporting term.

## Enrollment Status

A student's current attendance status in a postsecondary education institution. The following mutually exclusive categories are used: first-time entering undergraduate student, entering undergraduate transfer student, continuing student, readmitted student and high school student.

## FICE Code

A six-digit identification code originally created by the Federal Interagency Committee on Education (FICE). It is used in IPEDS to identify institutions that are accredited at the college level by an agency recognized by the Secretary, U.S. Department of Education.

## First-Time Freshman

An entering freshman who has never attended any college. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school).

## Fiscal Year

A twelve-month period running from July 1st through the following June 30th.

## Full-Time Equivalent (FTE)

A statistic derived from the student credit hour (SSCH) production of an institution. The number of undergraduate FTE students for an academic term is obtained by dividing the total number of undergraduate student semester credit hours by 15 . When computing an annual FTE, the student credit hours for all terms is summed and then divided by 30 undergraduate courses.

## Full-Time Student

An undergraduate student enrolled for 12 or more semester credit hours in a term.

## High School Student

A high school student who has not received a high school diploma or its equivalent but is enrolled in college-level courses.

## Glossary - CON'T

## IPEDS

The Integrated Postsecondary Education Data System conducted by the National Center for Education Statistics. IPEDS began in 1986 and involves annual data collections. Survey questionnaires are sent to all postsecondary institutions eligible for federal student financial aid, as determined by the Office of Postsecondary Education, U.S. Department of Education.

## Off-Schedule

Refers to students who are enrolled in courses the first class meeting of which is after the 11th class day for Fall and Spring Semesters (census day). In the case of the summer sessions it is enrollment in courses the first class meeting of which occurs after the 5th class day (census day).

## On-Schedule

Refers to students who are enrolled in courses the first class meeting of which is before the 11th class day for Fall and Spring Semesters (census day). In the case of the summer sessions it is enrollment in courses the first class meeting of which occurs before the 5 th class day (census day).

## Part-Time Student

Students enrolled for 1-11 credit hours.

## Readmitted student

A student previously enrolled at NWACC but not enrolled during the regular academic term immediately preceding the current term. Disregards summer session.

## Retention and Graduation Rates

Calculated using cohort of first time freshmen. The cohort is typically defined as the first-time full-time freshmen entering in the fall semester. The term "first-time" means that the student was not previously enrolled in a postsecondary institution, and the term "full-time" means that the student enrolled for a minimum of 12 credit hours in the entering semester.

## SSCH - (Student Semester Credit Hours)

Credit hours generated by all students in a semester

## Transfer Student

An undergraduate student entering NWACC for the first time with academic credit attempted or earned at another institution (whether or not the credit is accepted by NWACC). For reporting purposes, this category includes students enrolled in the fall term, who first enrolled as transfer students in the prior summer term.

## Unduplicated Headcount

A student is counted only once during an academic year (Summer I term through Summer II term) regardless of how many terms the student registers for or how many different classes the student takes during that time period.

[^0]:    *Other FT Teaching-Administrative and support personnel who taught class(es)

[^1]:    Tuition status as defined by the institution:
    In-District: Student must live in the Bentonville or Rogers School District for 6 months prior to the first day of classes
    Out of district: Student must have lived within the State of Arkansas for 6 months prior to the first day of classes
    Out-of-state: Student must be a citizen of the United States
    International: Student who is not a US citizen or legal resident

[^2]:    *Fall and Spring off-schedule classes (such as Late Start and second 8-week) are not included to more accurately compare between semesters

[^3]:    *Students attending RTC are coded as 'concurrent' students and not Step Ahead beginning Fall 2006
