

COMPUTER CHALLENGE

Cost \$25

No appointment necessary

Re-takes not allowed

- 1) Student must check in at the Admissions office
- 2) Pay the fee at the Cashier's window
- 3) Present receipt from cashier and photo ID at the Testing Center

We offer a computer challenge exam for the CISQ 1103 class indicating computer proficiency. Credit for the course does not provide a grade on your transcript. It just indicates CREDIT AWARDED. If you are planning on continuing your education at a different institution, it is suggested that you contact your department or institution to determine if this option is best for you.

The exam uses the myItLab.com testing software to emulate WINDOWS 2007 and the Microsoft Office suite. (WORD, EXCEL, ACCESS, and POWERPOINT)

When you complete the exam, print out your scores. The Testing Center will provide you with a form to record your scores. To be awarded Credit/Proficiency, you must achieve 80% composite on all sections with no one section score below 70%.
