Note: JBU's Core Curriculum includes senior-level capstone courses in American History and World Literature. At least one of those two courses must be completed at JBU; the other may be covered by prior transfer work. This plan requires the literature courses to fulfill requirements for the AA degree at NWACC

***A required course (or pass Challenge Exam) for NWACC degree but not required at JBU. Ask an advisor about the option.**

^This course replaces an upper division requirement at JBU (i.e., course number 3000+). JBU requires at least 35 upper division credits; if too many such courses are taken at the community college level, it would be necessary to complete upper division electives at JBU. You may choose to wait and take the equivalent of this course at JBU and then transfer the credits back to NWACC to earn the associate degree.

Any grade below a 'C' will not transfer. TOTAL REQUIRED HOURS FOR THE AA DEGREE: 61 HOURS
