Financial Reconsideration Appeal Form

Student's Name _____ Student I.D. _____

If you have unusual circumstances beyond your control that significantly impacted your income, you may file a financial reconsideration appeal. Please check the appropriate situation and attach documentation requested.

1. Income reduction due to circumstances beyond your control; for example, lay off, business closure, illness, disability, death of spouse or parent, etc.
Copy of letter from employer terminating employment. Letter from physician documenting illness or disability. Copy of death certificate. Copy of pay stub for current income earned or copy of unemployment, disability or social security benefits currently receiving.
2. Unusual medical or dental expenses not covered by insurance and **paid** by you. Must be in excess of 11% of the Income Protection Allowance.
Print out of medical or dental expenses paid. Bills showing payment received, etc.
3. Other extraordinary expenses; such as, private elementary and secondary school tuition, adult or child daycare (must be higher than average costs), etc.
Bill showing tuition payments paid.

I have completed my financial aid file including submitting a Verification Worksheet and a signed copy of my federal income tax return (2008), schedules and w-2s – even if I was not previously selected for verification.

I have attached a letter to this form that explains by situation in depth.

I have attached documentation to support my appeal (this should include such documentation as unemployment benefits, final pay stubs, latest pay stub for current employment).

I understand the Appeals Committee's decision is final and I will be notified through my NWACC email within 30 days of receipt of all documentation.

The deadline to submit a reconsideration appeal for the Fall 2009 semester is November 13, 2009. Students requesting an appeal after January 1, 2010 must turn in a completed 2009 Federal Income tax return in addition to their 2008 return. The deadline to apply for 09-10 reconsiderations is April 16, 2010. Appeals will not be reviewed during the months of December and January.
