

Course number and Title

AVSC 2031 Commercial Pilot Certification

Catalog Description

FAA Commercial Pilot Practical Examination

Prerequisite

AVSC 2062. Instructor permission required.

Credit hours/ Contact hours/ Load hours

1/1/1

Target Audience & Transferability

Course is designed for students who have completed all pre-requisites prior to the FAA Commercial Pilot Check-ride. Flight examination will be performed by an independent FAA certified official. Will transfer to Henderson State University and most other four year institutions which offer a Bachelor's in Aviation Science.

Common Objectives/ Student Outcomes

Students completing this course will be able to:

1. Exercise all the rights and privileges allowable to the holder of the FAA Commercial Pilot License (safely operate an aircraft for hire in visual and instrument flight conditions).
2. Further training toward advanced FAA Pilot Licensure.

Required Text(s)

Instrument Commercial Manual, Jeppesen Sanderson, Inc., 1998

Optional Text(s)

Topics

1. Complete an oral pre & post flight examination & de-briefing with the check-pilot.
2. Perform duties as the pilot-in-command.

### Required Methods of Instruction

### Required Forms of Assessment

Assessment will be performed by an independent FAA certified flight examiner. Location, timing, and name of flight examiner will be arranged on a case by case basis.
