

On Campus Concurrent Enrollment Packet

On Campus Concurrent Admissions Packet

Enrollment Steps:

1. Must currently have a 3.0 cumulative high school GPA for general education or transfer courses; or a 2.0 GPA for Career & Technical classes leading to an Associate of Applied Science degree or certificate
2. Submit completed Application for admission (www.nwacc.edu/web/apply/) by the deadline date.
3. Complete the Concurrent Packet. The Concurrent Packet may also be obtained from the Bentonville Campus or the Washington County Center.
4. Receive High School Counselor Approval. Parental approval is also required if the student is under eighteen at the time of registration.
5. Submit the following documents to the Office of Student Records.
 - ACT or COMPASS placement exam scores (scores should be no more than 5 years old), or take the COMPASS exam at the NWACC Testing Center (\$10 fee).
6. Schedule an Appointment with the Concurrent Enrollment Advisor (required) to complete enrollment and registration.

To schedule an appointment, please contact:

- Bentonville Campus: 479.619.4324
- Washington County Center (WCC): 479.927.3330
- Email: concurrent@nwacc.edu

Complete Prior to Semester:

- Visit myNWACC Connection once accepted to familiarize yourself with your student account. Please check your official NWACC email regularly
- Obtain your Student ID and Parking Permit at the Student Information Center (SIC) located on the first floor lobby of the Becky Paneitz Student Center (Main Campus) or at the Washington County Center in Springdale. You will need to submit your course schedule and a photo ID to receive a Student ID. You must have a Student ID to check out materials from the Pauline Whitaker Library
- Purchase your textbooks and class supplies at the NWACC Campus Bookstore. Present your class schedule to the Barnes & Noble Bookstore in the Becky Paneitz Student Center to locate and purchase your textbooks. Call 479.636.2222 for hours and additional information.
- Set up a payment plan or pay your bill. You will be issued a class schedule and tuition/fees invoice at the conclusion of your NWACC Advising appointment. Please adhere to all payment responsibilities, payment plans are available.

Additional Guidelines:

- **High School:** Must be currently enrolled in high school/home school (grades 9-12)
- **Placement Test Scores:** Standardized placement scores (ACT, PLAN, PSAT or COMPASS) that demonstrate college level academic readiness according to guidelines determined by the State of Arkansas; All students who have not yet completed a college level math course and whose ACT Math score is 17 or below, will need to take the math portion of the COMPASS. Students testing below 19 on the Reading and/or Writing portions of the ACT are encouraged to retake the COMPASS test to see if their scores have changed or can be improved.
- **Developmental Courses:** A 12th grade student who has at least a 17 ACT sub-score in English, Reading, or Math may enroll in Developmental Courses in English, Reading, or Math.
- **Credit Hours:** On Campus Concurrent students are limited to seven (7) hours of college credit enrollment each semester.
- **Waivers:** A waiver to NWACC for permission to take concurrent classes may be filed by a student who has a grade point average slightly below a 3.0 and/or from a student who would like to take more than seven (7) college credit hours during a given semester. *A copy of the high school transcript will be required to file a waiver.* Waiver forms are available from your high school counselor, and in our Admissions & Advising office.
- **Immunization Records:** Any student taking twelve (12) or more credit hours at NWACC must submit a copy of their immunization records to the NWACC Registrar's Office documenting immunity against measles, mumps, and rubella.
- **Grades:** On Campus Concurrent students must receive a 'C' or better in all concurrent coursework to remain in the On Campus Concurrent program. Students may re-take a course while still in high school when a grade of 'C' or below is received if they maintain a 2.0 cumulative NWACC GPA and a 3.0 cumulative high school GPA. If a student is enrolled in ONLY ONE concurrent class and receives a grade of 'C' or below they cannot re-take that course unless approved by the VP for Learning. All grades received for college courses will be posted on your college transcript.
- **When Placement Test Scores Are Not Required:** Opportunities do exist for those students who do not demonstrate college level readiness through placement test scores or do not have a 3.0 GPA. If you have a 2.0 GPA and do not have placement test scores you may select from a list of NWACC courses that do not require prerequisite placement test scores. Please refer to the Course Placement Chart in the Concurrent Student Enrollment Packet. **Please note these courses are not Developmental Courses.**
- **Continuing On Campus Concurrent Enrollment:** An updated Concurrent Registration Form is *required* each semester you wish to take courses on the NWACC Campus.
- **Add/Drop:** On Campus Concurrent students taking classes on the NWACC campus must be aware of important dates associated with adding and dropping classes. The Academic Calendar can be found in the College Catalog on the NWACC homepage: www.nwacc.edu
