The NorthWest Arkansas Community College ("NWACC") Annual Security Report of 2020 is provided to current students, prospective students, staff, and faculty as part of the College's commitment to the safety and well-being of the NWACC community. The Annual Security Report is published every year by October 1st and contains three years of selected campus and non-campus crime statistics and certain campus security policy statements in accordance with the Clery Act.

Enacted in 1990, *The Crime Awareness and Campus Security Act* was designed to assist students in making decisions which affect their personal safety and to ensure institutions of higher education provide students, prospective students, staff, and faculty the information they need to avoid becoming victims of campus crime. The *Higher Education Act of 1998* and the subsequent amendments of the implementing regulations significantly expanded institutions' obligations under the Act. The Act was also renamed the "*Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act*" (hereafter the "Clery Act").

The "NWACC" Departments of Public Safety ("DPS"), and Department of Institutional Policy, Risk Management and Compliance are committed to providing a risk averse, sustainable, and resilient environment that enhances the learning experience and supports the College’s educational mission.

The NWACC DPS understands the unique challenges associated with a college setting, and as such is tasked with providing services that meet both law enforcement and private security standards. DPS officers play various roles on campus including peace officer, security guard, policy enforcer, and public relations officer. DPS provides services at 5 locations and consists of 29 authorized positions that include 15 state certified police officers and 7 security officers. Officers are constantly patrolling NWACC properties and staffing fixed posts at some facilities. These officers answer calls for service, respond to alarms, and enforce state criminal and traffic laws. DPS also has police officers responsible for specialized assignments including criminal investigations, training, and bicycle patrol.

**Development, Disclosure and Implementation of Security Policies**

The Department of Public Safety and the Department of Institutional Policy, Risk Management, and Compliance are the offices designated to ensure that NWACC’s security policies are actively implemented as prescribed. The Clery Compliance Coordinator and DPS prepare this report in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The Emergency Management Coordinator works in conjunction with the Director of Public Safety and the Clery Compliance Coordinator in an on-going basis to make certain that administration, faculty, staff, students, and guests are aware of NWACC's security policies. For more information on our NWACC Campus Safety and Security Reporting/Clery Act Policy visit this link: [https://nwacc.policystat.com/?lt=njLiKEwN-LRzInd3Ca2-_i&next=/policy/5589937/latest/](https://nwacc.policystat.com/?lt=njLiKEwN-LRzInd3Ca2-_i&next=/policy/5589937/latest/)
Campus Security Authorities

Campus Security Authorities ("CSAs"), as defined by the Clery Act, have an obligation to report allegations of Clery Act-defined crimes that they conclude are made in good faith. These crime allegations should be reported to DPS or to the local police. The Clery Act definition of a campus security authority includes NWACC personnel in addition to DPS officers, including any official of NWACC who has significant responsibility for student and campus activities, including but not limited to, student discipline, student activities, campus conduct proceedings, advisors to student organizations and intramurals, event security, administrators who oversee branch or separate campuses, and those who monitor access to an NWACC facility. The Ethics and Compliance Officer is responsible for overseeing CSAs, ensuring their compliance with annual training, and sending semi-annual updates to CSA’s reminding them of their responsibilities. The Department of Public Safety is responsible for the collection of their crime reports and for inclusion in the Annual Security Report. If CSA’s report any crime to the Director of Student Support (“DSS”) or the Dean of Students (“DOS”), both of those parties are responsible for forwarding this information to the Director of Public Safety. The intent of including non-law enforcement personnel as campus security authorities is to acknowledge that many individuals may be hesitant about reporting crimes to the police, but may be more inclined to report incidents to other campus-affiliated individuals. For information about NWACC’s policy on limited, confidential reporting, please see the Disclosure of Policy Statements, section a) Reporting crimes on a limited voluntary, confidential basis.

Immediate Notification

The procedure regarding immediate notification at NWACC is designed to get relevant information to College students, employees and visitors at any affected NWACC location as soon as possible when an emergency incident occurs that involves a threat to health and safety. The NWACC administration will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students or staff occurring on campus.

The Director of Public Safety or a designee will confirm if there is a significant emergency or dangerous situation and determine necessary notifications. The mass notification system, NWACC’s Smart Phone LiveSafe App, and BCAAlert text messaging systems have prewritten messages that can be modified as necessary and sent to the NWACC community by Public Safety personnel, Exec. Director of Institutional Policy, Risk Mgmt. and Compliance or Public Relations personnel (these individuals will determine the appropriate segment or segments of the campus community to receive the messages if the threat is limited to a particular building or segment of the population). Immediate notifications are distributed in various ways depending on the nature of the situation and the information to be disclosed. NWACC will use some or all of the following methods of communication: e-mails; BCAAlert text messaging System; mass notification system; NWACCs LiveSafe Smart Phone App; NWACC In-Case-of-Crisis Emergency Guide APP; social media and face to face communication by professors and other leaders of the institution, as deemed appropriate. Parents or other interested members of the larger community may sign up for the BCAAlert text messaging system and LiveSafe App by visiting the NWACC website. These individuals can also obtain information in the event of an emergency on campus via the local news media and/or the NWACC website. http://www.nwacc.edu/administrativeservices/campussafety/default.aspx

Anyone with information warranting an immediate notification should report the circumstances to the Department of Public Safety at 479-619-4229. Follow-up information will be available on the NWACC website or any of the communication systems listed above may be used to provide follow-up information to the campus
community. NWACC officials will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

**Emergency Response Procedures**

An emergency response and recovery program has been developed to ensure response to and recovery from emergencies of all types and magnitudes and the continuation of College operations following an emergency. The plan is carried out by the Emergency Response Team and the Disaster Recovery/Business Continuity Response Team. The Department of Institutional Policy, Risk Mgmt. & Compliance and Department of Public Safety will be responsible for establishing plan priorities, writing and distributing the plan and training personnel in the plan.

NWACC's first priority when an emergency occurs is employee, student and guest safety and emergency response, and their second priority is disaster recovery and business continuity. This plan encourages the development of high levels of resilience where required and the wise use of resources to ensure that when an emergency occurs, NWACC's normal functions continue and, in the case of a major emergency, its mission essential functions are restored as soon as possible followed by the restoration of all College functions.

The College publishes its Quick Reference Emergency Procedures Guide that is distributed to all employees and copies are also available in the DPS Office and online at [http://www.nwacc.edu/administrativeservices/campussafety/default.aspx](http://www.nwacc.edu/administrativeservices/campussafety/default.aspx). Additionally, Emergency Procedures are located throughout all NWACC facilities. The leaders of the institution have access to an Emergency Operations Plan that includes operational guidelines and leadership command structure for the institution in the event of a campus emergency. Training exercises are held at least once a year under the direction of DPS and the Department of Institutional Policy, Risk Mgmt. & Compliance. These exercises will consist of training, tabletop exercises, full-scale exercises, drills, and/or tests of the BCAAlert text messaging system, mass notification system, NWACCs LiveSafe Smart Phone App, and the Wireless Emergency Notifications Systems. The Disaster Recovery/Business Continuity Response Team members will participate along with appropriate first responder representatives. If required, all College emergency personnel and occupants of the affected building(s) are to participate fully in these exercises and drills, which may be announced or unannounced.

When a serious incident occurs that causes an immediate threat to the campus, the first responders to the scene are usually the DPS, along with local Police, Fire and EMS. These first responders typically work together to manage the incident. Depending on the nature of the incident, other NWACC departments and other local agencies could also be involved in responding to the incident.

**Emergency Evacuation Procedures**

Students, faculty, staff, and guests are expected to evacuate campus buildings if they hear a fire alarm, if they are notified by first responders, or if the campus administration determines that an evacuation is necessary. All persons will receive information about evacuation and shelter-in-place procedures via one or more of the following: e-mail, BCAAlert text messaging system, mass notification system, NWACCs LiveSafe Smart Phone APP, Social Media and/or verbally by Administration or DPS personnel in person or by phone. Information surrounding these procedures is also published in the Quick Reference guide.
**Shelter-in-Place Procedures – What it means to “Shelter-in-Place”**

If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to seek shelter indoors. Thus, to “shelter-in-place” means to utilize the building that you are in as shelter from danger that is outside of the building or in other areas of the building. With a few adjustments, these locations can be made even safer and more comfortable until it is safe to go outside.

**Basic “Shelter-in-Place” Guidance**

If an incident occurs and the building you are in is not damaged, stay inside in an interior room until you are told it is safe to come out. If your building is damaged, take your personal belongings (purse, wallet, NWACC ID Card, etc.) and follow the evacuation procedures for your building (close your door, proceed to the nearest exit, and use the stairs instead of the elevators). Once you have evacuated, proceed to the pre-designated evacuation point or to a safe location. If police or fire department personnel are on the scene, follow their directions.

**How You Will Know to "Shelter-in-Place"**

A shelter-in-place notification may come from several sources, including e-mails, BCAAlert text messaging system, mass notification system, and the NWACC Life Safe phone app, as well as Social Media.

**How to “Shelter-in-Place”**

No matter where you are, the basic steps of “shelter-in-place” will generally remain the same. Should the need ever arise; follow these steps, unless instructed otherwise by local emergency personnel:

1. If you are inside, stay where you are. Collect any emergency “shelter-in-place” supplies and a telephone to be used in case of emergency. If you are outdoors, proceed inside the closest building quickly or follow instructions from emergency personnel on the scene.
2. Locate a room to shelter inside. It should be:
   - an interior room
   - above ground level
   - without windows or with the least number of windows
   - if there is a large group of people inside a particular building, several rooms may be necessary
3. Shut and lock all windows and close exterior doors.
4. Turn off air conditioners, heaters, and fans.
5. Close vents to ventilation systems as you are able.
6. Make a list of the people with you and ask someone to call the list in to the campus police dispatcher at (479) 619-4229. In the event that the dispatch station cannot be manned calls will be forwarded to an appropriate location or back-up phone line.
7. Turn on a radio or TV and listen for further instructions.
8. Remain calm and make yourself comfortable.

**Lockdown**

A "Lockdown" is the temporary sheltering technique utilized to limit civilian exposure to an "Active Shooter" or similar incident. When alerted, occupants of any building within the subject area will lock all doors and windows and will not allow entry or exit to anyone until the all clear has been sounded. Notice that a "Lockdown" has been issued will be broadcast over the mass notification system and by other appropriate means.
How to Lockdown

The basic steps for how to lockdown will be the same regardless of your location. Follow these steps, unless instructed otherwise by local emergency personnel:

- Try to remain calm.
- Remain indoors, e.g. your office or classroom. Once in "Lockdown" you would be allowed to move about to facilitate certain needs, e.g. bathroom, water; but you should not leave the building unless an all clear has been sounded.
- If not in your typical surroundings, proceed to a room that can be locked.
- Close and lock all doors.
- Turn off all lights.
- Occupants should be seated below window level, toward the middle of a room, out of view from windows and doors, as low to the ground as possible.
- Remain silent.
- Turn off all radios or other devices that emit sound.
- Silence cell phones and turn off vibration functions.
- If gunshots are heard, lay on the floor using heavy objects, e.g. tables, filing cabinets for shelter.
- If safe to do so, turn off gas and electric appliances, e.g. heater, fan, coffee maker, gas valves, lights and locally controlled ventilation systems, e.g. air conditioner. Use phones only for emergency notification to emergency responders.
- Do not shelter in open areas such as hallways or corridors. Go to the nearest office, classroom, lecture hall or auditorium that can be locked.
- A message may be broadcast giving specific locations and directions for entering certain shelter sites.
- Do not unlock doors or attempt to leave until instructed to do so by emergency responders. The "All-clear" will be announced over the mass notification system or other appropriate system when it is considered safe.

The Daily Crime Log

NWACC Department of Public Safety ("DPS") maintains a daily crime log that is available to the public from all campuses/centers via the main Public Safety office, in the Center for Health Professions, Room #1033C, One College Drive, Bentonville, AR. The daily crime log discloses all alleged criminal incidents reported to DPS, including non-Clery Act crimes. The Clery Act requires that the daily crime log include specific categories of information which include; 1) the date the crime was reported; 2) the nature of the crime; 3) the date and time the crime occurred; 4) the general location of the crime; and 5) the disposition of the complaint, if known.

An institution may temporarily withhold information from the daily crime log in some cases. There must be clear and convincing evidence that the release of information may: 1) jeopardize an ongoing investigation; 2) jeopardize the safety of an individual; 3) cause a suspect to flee or evade detection; or 4) result in the destruction of evidence.

Statistics from Local Law Enforcement Agencies

The Department of Public Safety and/or the Clery Compliance Coordinator submits an annual request to the local law enforcement agencies requesting specified crime statistics reported to local police agencies that
occurred on or immediately adjacent to the campuses and on College owned, controlled, or affiliated property to be reported for inclusion in the annual crime report. Documentation of the request is maintained by DPS and/or the Clery Compliance Coordinator regarding the College’s efforts to obtain the statistics and documentation of any noncompliance on behalf of the police as well as the statistics from all the appropriate police agencies with jurisdiction for NWACC.

Data Report to Department of Education

Per request by annual letter, the United States Department of Education (“DOE”) sends a request to DPS to submit the crime statistics portion of the Annual Security Report via the Campus Safety and Security Survey web-based system. The Clery Compliance Coordinator is the Campus Safety Survey Administrator (“CSSA”). The CSSA or his/her designee enters and submits the College’s crime statistics through this survey. NWACC’s updated statistics are available to the general public at: http://ope.ed.gov/security or the DPS website: http://content.nwacc.edu/dps/Clery_Annual_Report.pdf

Community members, students, faculty, staff and guests should report all crimes and public safety related incidents including when the victim of a crime elects to or is unable to make such a report to NWACC’s DPS and/or local police departments in a timely manner. Emergency phones are located and accessible throughout the campus. Crimes should be reported to the DPS for purposes of making timely warning notices to the community and inclusion in the annual security report. It is the responsibility of DPS to investigate and follow up on all reports of criminal activity on campus. In some cases DPS officers are assisted in their investigations by other area law enforcement agencies. If assistance is required from other police agencies and/or fire departments, DPS will contact the appropriate unit.

Responses to these reports will vary according to the situations. In an emergency, DPS will respond and summon the appropriate resources to assist in the response to the incident. Reported violations of local, state or federal law will be investigated by the Department of Public Safety. Information obtained by the college may be used in selecting an appropriate course of action. Options for action include: 1) pursuing the alleged violation through the criminal justice system, 2) pursuing the alleged violation through the College Student Conduct System, 3) pursuing the alleged violation through both the criminal justice system and the College Student Conduct System, or 4) taking no action. Reported violations of College regulations will be investigated and, where appropriate, adjudicated by the appropriate student conduct complaint/grievance procedures.

DPS incident reports involving students, faculty and staff are forwarded to the appropriate and responding offices on campus for review and potential action. Incident reports are available in the DPS office. DPS Officers will investigate a report when it is deemed appropriate and additional information obtained via the investigation will also be forwarded to the appropriate and responding office(s).

**Reporting Crimes and Confidentiality**

The NWACC Department of Public Safety (“DPS”) encourages anyone who is the victim or witness to any crime to promptly report the incident. Because all police reports are public records under state law, DPS cannot guarantee that it will hold reports of crime in confidence.

Confidential reporting may be available to witnesses and/or victims of some crimes who do not want to pursue action within the College system or the criminal justice system. Such reports may be made by using the Ethics Point secure link on the Human Resources page at https://secure.ethicspoint.com/domain/media/en/gui/15781/index.html or the Advocate link on the Student Support Services page at https://nwacc-advocate.symplicity.com/public_report/index.php/pid706441?. NWACC has trained Confidential Advocates who may also serve for confidential reporting. Confidential Advocates will strive to keep information private, however, there are some circumstances in which they are not able to guarantee complete confidentiality. To read more about the Confidential Advocates, please see this link: https://www.nwacc.edu/studentservices/healthandwellbeing/confidentailadvocates.aspx.

The purpose of a confidential report is to comply with the witness’s or victim’s wish to keep the matter confidential, while taking steps to ensure their or other’s future safety. With such information, the College can keep an accurate record of the number of incidents involving students, employees and visitors; determine whether there is a pattern of crime with regard to a particular location, method, or assailant; and when necessary, alert the campus community to potential danger. It is the policy of the College to encourage the reporting of crimes even if the victim does not wish to file a complaint. However, with crimes that involve sexual harassment, including sexual violence, confidentiality cannot be guaranteed. If a crime is reported to
a CSA and the victim chooses not to report it to the police, then the employee, student or visitor may complete a Crime Incident Report Form which excludes the victim’s name. This form is available at the Department of Public Safety Office or on the DPS website (http://content.nwacc.edu/administrativeServices/DPS/Crime%20Incident%20Report%20Form.pdf).

Any information received will be reported to DPS for crime reporting notifications, campus crime statistics reporting, and campus education programs. Cases of suspected sex discrimination or sexual harassment may be reported to the Title IX Compliance Officer, who is Teresa Taylor, Executive Director for Institutional Policy, Risk Management and Compliance. (ttaylor19@nwacc.edu; 479-619-4188)

Timely Warning Notifications

The Director of the Department of Public Safety or a designee will coordinate with the Office of Public Relations to develop Timely Warning Notices for the College Community to notify members of the community about serious crimes that occur on campus or on other College owned, leased or controlled property, where it is determined that the incident may pose a serious or continuing threat to members of the College Community. Timely Warning Notices are usually distributed for the following Uniformed Crime Reporting program (“UCR”)/National Incident Based Reporting System (“NIBRS”) classifications: major incidents of arson, criminal homicide, and robbery. Cases of aggravated assault and sex offenses are considered on a case-by-case basis, depending on the facts of the case and the information known by DPS. For example, if an assault occurs between two students who have a disagreement, there may be no on-going threat to other College Community members, therefore; a Timely Warning Notice would not be distributed. Sexual Assaults are considered on a case-by-case basis depending on the facts of the case, when and where the incident occurred, when it was reported, and the amount of information known by DPS. Timely Warning Notices may be distributed for other crimes as determined necessary by the Director of Public Safety or a designee in his/her absence.

Timely Warning Notices for the College Community will be written and sent by Public Relations once approved by the Director of Public Safety or his/her designee and one or more of the following: Executive Director for Policy, Risk Management and Compliance, Chief Academic Officer, Vice President for Administration and Finance, Executive Director of Public Relations, College President, or Administrator in Charge of the campus/center facility or designee at the off-site location as determined by existing College emergency procedures. Notifications may be made via some or all of the following: e-mails, BCAAlert text messaging system, mass notification, NWACCs LiveSafe Smart Phone App, Social Media, press releases, warning posters, campus meetings, and announcements. On all other campuses/centers timely warnings will be delivered by one or more of the following means: bullhorn or other means of verbal contact by DPS and/or other personnel available, blast emails, BCAAlert text messaging system, press releases, warning posters, campus meetings, and announcements. For more information on signing up for alerts and notifications visit: https://www.nwacc.edu/administrativeservices/campussafety/default.aspx

Anyone with information warranting a timely warning should report the circumstances to the DPS. All notifications issued will provide general information about the incident as well as crime prevention information that may aid in the prevention of similar occurrences. All Timely Warning notices will be issued in a manner that withholds the names of victims as confidential.
Annual Disclosure of Crime Statistics

The Annual Security Report is compiled by the Department of Public Safety and/or the Clery Compliance Coordinator. Crime and arrest statistics for the report are compiled from police reports obtained from the files of NWACC’s DPS, along with requested information from Bentonville, Pea Ridge, Centerton, Fayetteville, Gravette, Rogers, Springdale and Farmington Police Departments. Student conduct violations statistics are provided by NWACC’s Dean of Students. We cast a wide net for input from other campus officials. Inquiries are made to all campus security authorities, including but not limited to, college administrators, deans, directors and department heads requesting information if a crime was reported to anyone in their area and not reported to the police. Statistics are compiled from their replies.

Security and Access of Campus Facilities

NWACC is an open campus and maintains on-campus security 24 hours a day 7 days a week. Facilities are open to members of the College community and guests. Tours may be scheduled through the Office of Admissions. Visitor parking is allowed in designated areas or by temporary permit only. To obtain parking permission, please call the Department of Public Safety at (479) 619-4229. Administrative buildings are typically open from 8:00 a.m. to 4:30 p.m. Monday through Friday**. Academic facilities close and are locked by DPS after the last class scheduled in the facility. Service buildings (i.e., library, student center) are open during posted hours. NWACC does not have on-campus or off-campus residence halls at any of its campuses.

Some facility hours may vary by facility/location and some facility hours may vary at different times of the year. In these cases, the facilities will be secured according to schedules developed by the department responsible for the facility. Emergencies may necessitate changes or alterations to any posted schedules. DPS conducts daily security checks to verify that all facilities on campus are secured. DPS also monitors on campus security cameras and conducts routine patrols of all campuses/centers which are staffed by DPS Officers.

NWACC is committed to campus safety and security. Exterior lighting and landscape control is a critical part of the commitment. The Physical Plant Department maintains the College’s buildings and grounds, including lighting, walkways, roadways, and landscaping, and conducts routine checks of lighting on campus. DPS officers regularly patrol the campuses/centers and report any deficient lighting (such as dim, obstructed, or non-operational) or other unsafe facility conditions to the Physical Plant Department.

**UPDATE - Please be aware that as of March 19, 2020, NWACC is no longer open to the public due to concerns about the COVID-19 Corona Virus. Any member of the public wishing to visit the NWACC campus, must check in with the Department of Public Safety before entering campus.

Campus Law Enforcement

a) Enforcement authority of security personnel, b) working relationship with state and local police agencies, and c) arrest authority of security personnel

NWACC’s Department of Public Safety has primary responsibility for maintaining a reasonably safe campus/center. Specifically, DPS is responsible for crime prevention, law enforcement, parking control, emergency response, policing of special events, and various other community services on campus/center. DPS provides a full range of campus/center services 24 hours a day, 365 days a year. Some of these services
include investigating reports of crimes, conducting follow-ups as necessary, and filing criminal charges or referring the matter (as appropriate) to another department. DPS police officers have complete police authority to apprehend and arrest anyone involved in illegal acts on campus/center and areas immediately adjacent to the campus/center pursuant to A.C.A. 25-17-305. If minor offenses involving college rules and regulations are committed by a student, the DPS may also refer the individual to the Office of Student Conduct. All police officers of NWACC’s DPS meet state mandated training requirements and are certified by the Arkansas Commission on Law Enforcement Standards.

Major offenses such as rape, murder, aggravated assault, robbery, and auto theft are reported to the local law enforcement, as well as the NWACC Office of Student Conduct/Dean of Students Office. Although NWACC does not have a formal written memorandum of understanding with all local law enforcement agencies regarding its campuses/centers for the purpose of investigation of alleged criminal offenses, joint efforts are coordinated as needed with these local agencies and the Arkansas State Police to investigate crimes as deemed necessary. The prosecution of all criminal offenses, both felony and misdemeanor, are conducted in the appropriate local, state, or federal court. DPS officers maintain working relationships with local law enforcement agencies and have direct radio communications to facilitate rapid response in any emergency situation.

**Reporting of Crimes to Campus Police and Local Police**

NWACC is committed to providing a safe and secure environment for our students, faculty, staff, and guests. With the support of all members of the College community, there is a continuing effort to keep the campus/center safe and secure. Because a truly safe campus/center can only be achieved through the cooperation of all students, faculty, staff, and guests; everyone is encouraged to accurately and promptly report all crimes to the campus police and the appropriate police agencies as soon as they have knowledge of such an event.

**Voluntary, Confidential Crime Reporting Procedures**

Professional counselors and/or pastoral counselors are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary confidential basis to non-DPS campus security authorities for inclusion in the annual disclosure of crime statistics.

**Campus Security Procedures and Practices**

*Programs designed to inform students and employees about campus security procedures and practices and to encourage students and employees to be responsible for their own security and the security of others*

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. The institution distributes timely warning notices to the campus/center when a crime poses a serious ongoing threat to the community to keep them aware of security related issues.

NWACC strives to provide all students, faculty, and staff members with information and education throughout each academic semester which encompasses a variety of topics related to safety and security. Some of the events for 2019/2020 include: Community Resource Fair; table top events across campus to speak to staff and students about safety and security on campus; printed materials to hand out at events across campus; an “app” created for smart phones called, “LiveSafe”, which provides the users with information on safety,
security, and how to respond in a crisis situation on campus; Brown Bag lunch sessions during each semester; the campus-wide email for the Annual Security Report; Risk Management informational emails which cover a variety of topics related to security and risk; Divisional Emergency Preparedness seminar and drills; Administrative Table-Top exercises; We Comply employee training module titled “Emergency Preparedness”; Student Empower Plus online training and education program available to all students; community and campus presenters on topics including “The Use of Technology in Domestic Violence and Stalking”. NWACC also includes safety and security information on several different website pages in order to be easily accessed.

In addition, information and presentations regarding NWACC’s safety and security programs and procedures are included in each new student orientation program during the fall and spring semesters. New employees are given this information during their orientation which usually occurs on a bi-monthly basis. The same information is made available upon request to all prospective students during the application process and to every job applicant.

Concealed Weapons on Campus

Effective September 1, 2017, Arkansas Act 562 of 2017 allows the possession of concealed handguns in buildings and on the grounds of NWACC, provided certain conditions are met. NWACC is committed to complying with the law while also providing a safe and secure environment for our students, faculty, staff, and guests. In furtherance of these goals, NWACC has revised NWACC Policy # 2005: Possession of Weapons on Campus/Concealed Carry.

NWACC’s Concealed Carry Policy

It is unlawful for any person to knowingly possess a weapon, defined as a handgun, knife or club, other than a law enforcement officer or a commissioned officer in the employment of NWACC, in any NWACC owned or operated building or on any College grounds. However, effective September 1, 2017, possession of concealed handguns in buildings and on the grounds of NWACC is permitted, provided all of the following conditions are met:

- Licensee has completed required endorsement training as approved by the Director of the Department of Arkansas State Police, and
- Licensee is 21 years of age or over (exceptions to minimum age are noted below).
- Handgun must be concealed at all times.

Notwithstanding the above, Licensee has the ability to store concealed handgun in his or her locked vehicle on a publicly owned and maintained parking lot.

Exceptions:

- Concealed carry is not allowed in the following:
  - Public K-12 schools and private spaces not owned or leased by Northwest Arkansas Community College.
  - Brightwater: A Center for the Study of Food
  - Documented grievance and disciplinary meetings, provided additional requirements are met.
- Exceptions to the age requirement limiting concealed carry as follows:

- Pick up any emergency phone located in and around campus.
- Dial (479) 619-4229 from your cell phone.

In case of emergency, to be connected to an off-campus dispatcher:
- Dial 911 from your cell phone.
- Dial 9-911 from a campus phone.

If a non-emergency violation has occurred, notify an instructor or NWACC administrator, the NWACC DPS, or use the LiveSafe mobile device application to report the incident.

**Description of the Programs for Prevention of Crimes**

NWACC’s DPS crime prevention program is based upon the dual concepts of eliminating or minimizing criminal opportunities whenever possible and encouraging students and employees to be responsible for their own security and the security of others. Educational programs regarding campus/center crime and emergency procedures are conducted periodically. These programs may include DPS Officers or other guest speakers. Through programs such as these, students and employees are reminded to follow such preventative procedures as:

1. Report all crimes and/or suspicious activities to DPS.
2. Protect personal property such as computers, cell phones, tablets, calculators, etc. by marking them with an identification number.
3. Lock offices and car doors.
4. Walk in well-lighted areas at night.
5. Do not walk alone at night.
6. Do not leave books, jewelry, purses, wallets, backpacks or other valuables unattended for any length of time.

**Student Off-Campus Criminal Activity**

**Policy concerning the monitoring and recording student off-campus criminal activity through local police, including student organizations with off-campus housing facilities**

When an NWACC student is involved in an off campus/center offense, DPS officers may assist with the investigation in cooperation with local, state, or federal law enforcement. Local law enforcement agencies routinely work and communicate with DPS officers on any serious incidents occurring on campus/center or in the immediate neighborhood and business areas surrounding all of NWACC’s campuses/centers. NWACC does not operate any on-campus/center or off-campus/center housing, and there are no off-campus/center student organization facilities associated with the campuses. However, many students live in the
neighborhoods in the surrounding area. Local law enforcement agencies have primary jurisdiction in all areas off-campus/center.

**Drug and Alcohol Abuse Education Programs**

A statement of policy regarding possession, use, and sale of alcoholic beverages and enforcement of State of Arkansas underage drinking laws. A statement of policy regarding the possession, use, and sale of illegal drugs and enforcement of Federal and State drug laws. Description of drug or alcohol-abuse education programs, as cross referenced in HEA materials

This policy is mandated by and complies with the provisions of the Drug-Free Schools and Communities Act Amendments of 1989. NWACC conducts annual educational programs on drug and alcohol abuse. Educational materials are provided in various locations on NWACC Campuses. Annually, the College makes available to all students and personnel information on procedures for reporting criminal actions, policies concerning campus security, criminal and drug enforcement policies and educational programs, crime prevention programs, and statistics concerning criminal activities on campus/center. All trainings and educational programs are available for faculty, staff, and students.

Information regarding NWACC’s drug or alcohol abuse policies and procedures is included in each new student orientation program/guide and new employees are given this information during their orientation. The same information is made available upon request to all prospective students and job applicants.

Several offices, agencies, and hospitals in the Bentonville area offer drug treatment and rehabilitation services or programs. Information about these can be located in the yellow pages of the telephone directory under the heading, “Alcohol and Drug Information and Treatment Centers.” Community resources are also listed in the NWACC Student Handbook. In addition, the Dean of Students office for NWACC has compiled resources and information for faculty, staff and students at the following link: [http://content.nwacc.edu/wellness/Alcohol%20and%20Substance%20Abuse.pdf](http://content.nwacc.edu/wellness/Alcohol%20and%20Substance%20Abuse.pdf).

**Campus Policies and Procedures**

NWACC has the following policies related to alcohol and/or drug use on campus and/or at college functions: (policies are printed and attached to report)

See Addendum “A” - - Included in this ASR is the NorthWest Arkansas Community College 2020 Biennial Report.
Information on Domestic Violence, Dating Violence, Sexual Assault and Stalking

A statement of policy regarding the institution’s programs to prevent dating violence, domestic violence, sexual assault, and stalking. A statement of policy regarding procedures that the institution will follow when one of these crimes is reported.

Description of Relevant Educational Programs

NWACC has a zero tolerance policy for gender-based misconduct to include sexual harassment, discriminatory harassment, domestic violence, dating violence, stalking, and other acts of harassment and/or discrimination congruent with our campus policy.

Sexual assault, sexual harassment, discriminatory harassment, domestic violence, dating violence and stalking are specifically prohibited on the NWACC campus/center or in connection with any of the programs and activities it sponsors. Students, faculty, and staff committing these offenses, whether on or off campus, are subject to College disciplinary action as well as criminal action.

During the summer 2014, NWACC joined the national Red Flag Campaign for prevention, awareness and education for students, faculty, and staff, on issues surrounding Domestic Violence, Dating Violence, Stalking, and Sexual Assault. (https://www.nwacc.edu/studentservices/healthandwellbeing/redflagcampaign.aspx). This program has continued throughout 2019 with continued success. Due to the COVID-19 Pandemic Response, the program was offered mostly online for 2020.

“The Red Flag Campaign is a public awareness campaign designed to address dating violence and promote the prevention of dating violence on college campuses. The campaign was created using a “bystander intervention” strategy, encouraging friends and other campus community members to “say something” when they see warning signs ("red flags") for dating violence in a friend's relationship. The campaign posters reflect racially and ethnically diverse models, and illustrate both heterosexual and same-sex relationships.” (www.theredflagcampaign.org)

This bystander intervention campaign helps the campus to create more awareness and provides resources and outreach for issues surrounding domestic violence, dating, stalking and sexual assault through use of social media, emails campaigns, bathroom flyers in all campus locations, campus events, classroom discussions, online training forums, speaking events, and guest presentations/speakers.

Sex offense awareness and prevention programs are presented regularly throughout each semester across campus. All faculty, staff, and students are invited to attend. Guest speakers may also be brought to the campus for presentations open to the entire campus community. Materials including pamphlets covering sex offense awareness and prevention and similar materials are also available in the Student Center.

For more information on the Red Flag Campaign email:  redflag@nwacc.edu

Through these efforts, students and employees are informed of preventive actions such as the following:

Protecting yourself

- Determine what you want and what you don't want and communicate your limits clearly. No one should pressure you into unwanted sexual activity. If you are uncertain about what you want, ask your partner to respect your feelings.
• Know that you have the right and power to say "No" and the right and power to defend yourself against someone who won't listen to you. If you say "No", say it firmly and directly.
• Trust your intuition. If you feel something is wrong, it likely is. Remove yourself from the situation and get to a safe space as quickly as you can.
• Be careful with alcohol and drugs. Some people think that a drunk or stoned companion has automatically consented to sex.
• Attend parties with friends you can trust. Agree to 'look out' for one another. Try to leave with a group, rather than alone or with someone you don't know very well.
• Look for danger signals in a dating relationship. If your partner restricts your activities, isolates you from friends, and displays jealous behavior, he or she may eventually rape and/or beat you.
• Talk with your friends about ways you've learned to prevent rape and violence.

Protecting your partner and friends

• Respect your partner's feelings and needs. Don't pressure anyone to go beyond the limits she or he has set. Listen carefully to your partner and ask for clarification if your partner seems unclear or is giving you a 'mixed message'.
• Respect the person when she or he says "No" to sexual activity and comply. "No" does not mean "Yes"; "No" means "No".
• If you see someone in a vulnerable position, find a non-threatening way to help. Don't ignore a potential case of rape-- get involved if you believe someone is at risk.
• With alcohol and drugs, remember that they can interfere with your ability to assess situations and to communicate effectively. If you have sex with a person under these conditions, the situation could be understood as rape, meaning trauma and legal consequences could result.
• Be careful in group situations- resist pressure from friends to participate in or be subjected to violent or criminal acts.
• Specifically for men, don't make assumptions about a woman's behavior. Don't automatically assume a woman wants to have sex just because she drinks heavily, dresses provocatively, or agrees to go back to your room.

The Arkansas statute of rape is not gender specific, which recognizes that individuals of any gender can be victims or perpetrators of rape. Sexual assault can occur whenever consent is not freely given by the victim; whenever the victim fears that he or she will be injured if he or she does not submit; whenever the victim is incapable of giving consent or resisting due to alcohol or drugs; and whenever the perpetrator uses physical force, threat, coercion, or intimidation to overpower the victim.

Consent is clear, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in (and the conditions of) sexual activity.

- Previous relationships or prior consent cannot imply consent to future sexual acts.

**NWACC Procedures for Victims of Dating Violence and/or Domestic Violence**

**Responding to Victims of Domestic/Dating Violence**

Domestic violence laws in Arkansas prohibit people from physically injuring family members and household members. Arkansas also makes it illegal to engage in conduct that creates a substantial danger of death or serious injury to a family or household member. Punishment for domestic violence crimes range from misdemeanor penalties to lengthy felony prison sentences.

Arkansas domestic violence laws apply to aggressors and victims who are family or household members. Arkansas defines “family or household members” as:
- current or former spouses
- parents and children
- persons related by blood
- a child living in the household
- persons who currently or previously lived together
- people who have a child together, and
• persons who currently or formerly were in a dating relationship

Other terms used include: relationship abuse, intimate partner violence, relationship violence, dating abuse, domestic abuse, domestic violence, and stalking.

If you are a victim of domestic violence..................

Your first priority should be safety. If there is any immediate danger, contact Campus Police (479-619-4229) if you are on campus, or call 911 if you are off campus. If you have safety concerns, the Department of Public Safety can also escort you to your vehicle on campus. Downloading LiveSafe from the App Store or Google Play is another way to share information with Public Safety, know what resources are around you on campus, and quickly request help in an emergency. NWACC strongly advocates that a victim of sexual assault report the incident as soon as possible. You are encouraged to report domestic violence to the Title IX Coordinator, and/or the Director of Student Support, and/or the Dean of Students, and/or Public Safety.

Filing a report with an NWACC representative will **not** obligate you to prosecute, nor will it subject you to scrutiny or judgmental opinions. Filing a report if you are a victim of domestic violence will help ensure you get the assistance you need.

If you are a victim of domestic violence, you may choose for the investigation to be pursued through the criminal justice system, or in cases where the abuser is an employee or student of NWAAC, through the college conduct processes. A college representative from the Department of Public Safety, the Human Resources Department, the Title IX Office, and/or the Dean of Students Office will guide you through the available options and will support you in your decision. These college representatives will provide options for support and will assist you in connecting with community resources, and local police if desired.

Regardless of whether the person who is accused of domestic violence is associated with NWACC, the college will provide assistance for any student or employee who is a victim.

If the person who is accused of domestic violence is an employee of NWACC: Human Resources will investigate to see if any further action is necessary.

If the person who is accused of domestic violence is a student at NWACC: NWACC disciplinary proceedings are detailed in the *Student Handbook*. Possible sanctions imposed for disciplinary purposes against the perpetrators of domestic violence in the event of “in violation” include expulsion, suspension, dismissal, disciplinary probation, educational sanctions, denial of certain privileges, and counseling. The perpetrator could also be subjected to criminal prosecution in the state courts. Retaliation against a person for reporting an offense is not permissible.

Employee victims might have the option to make temporary changes to their work assignment, if such change is reasonably available. The Human Resource Office will provide more information on what options are available.

Student victims have the option to change their academic situation after an alleged domestic violence occurrence, if such change is reasonably available. The Vice President for Student Services or the Dean of Students can provide information about this option and assist you with the process.

NWACC has an Employee Assistance Program (EAP) which provides confidential counseling and referral service that can help you when needed. EAP is available to all eligible employees and there is no cost.

Reporting to a Confidential Advocate:
Some people may choose to start with a Confidential Advocate before making the decision on what steps to take. The following are trained campus advocates:

- Judy Reeves
  jreeves@nwacc.edu  CHP 1053  619-4390
- Austin Schader
  aschader@nwacc.edu  WCC 124  725-4663

Confidential Advocates have been specially trained to provide affirming, empowering, and confidential support. The Advocate will listen and explain options available to you while providing support. It is your decision to pursue available resources or to report an incident to law enforcement or the College. Although rare, there are times when the College may not be able to honor a victim's request for confidentiality. If a victim discloses an incident to an Advocate but wishes that no investigation into the incident be conducted or disciplinary action taken, the Advocate must weigh that request against the College’s obligation to provide a safe environment for all students, including the victim.

Guidance if you are a victim of domestic violence:

- Call the NWA Women’s Shelter at their 24-hour hotline numbers 800-775-9011 or 479-246-9999 for support, advocacy, emergency shelter, and other resources. Please note that the shelter services women, men, and children.
- If you are experiencing stalking, you are encouraged to document all related behaviors, such as harassing telephone calls, electronic contacts (texts, e-mails, contact via social media), letters/notes, acts of vandalism, and threats communicated through third parties. If possible, try to include the date, time, location, and description of what occurred.
- If you were harmed, you are encouraged to receive medical attention as quickly as possible.
- Tell someone you trust about the incident, you may want to develop a safe word to be used in emergency situations to indicate when and how they can help you.
- If you obtain external orders of protection, please notify Campus Police, the Dean of Students, the Director of Student Support, or the Title IX Coordinator so that those orders can be observed on campus.
- Treat all threats, direct or indirect, as legitimate and report them.

NWACC Procedures for Responding to Victims of Sexual Assault

Responding to Victims of Sexual Assault

The Arkansas statute of rape is not gender specific, which recognizes that individuals of any gender can be victims or perpetrators of rape. Sexual assault can occur whenever consent is not freely given by the victim; whenever the victim fears that he or she will be injured if he/she/they does not submit; whenever the victim is incapable of giving consent or resisting due to alcohol or drugs; and whenever the perpetrator uses physical force, threat, coercion, or intimidation to overpower the victim.

If you are a victim of sexual assault.................

Your first priority should be safety. If there is any immediate danger, contact Campus Police (479-619-4229) if you are on campus, or call 911 if you are off campus. If you have safety concerns, the Department of Public Safety can also escort you to your vehicle on campus. Downloading LiveSafe from the App Store or Google Play is another way to share information with Public Safety, know what resources are around you on campus, and quickly request help in an emergency. NWACC strongly advocates that a victim of sexual assault report the incident as soon as possible. You are encouraged to report domestic violence to the Director of Student Support, and/or the Dean of Students, and/or Public Safety.

You should then obtain necessary medical treatment. You are encouraged to go to a hospital emergency room to receive appropriate medical care and/or evidence collection. NWACC strongly advocates that a
victim of sexual assault report the incident as soon as possible. Time is a critical factor for evidence collection and preservation. If the assault is reported within 72 hours of its occurrence and you cooperate with the police in providing information and evidence, the State of Arkansas pays for the medical examination. Also, if the offense is reported to the police, Victims Compensation can pay for the treatment or other injuries that occurred during the rape. An assault should be reported directly to the Title IX Coordinator, Public Safety, the Dean of Students Office and/or the Human Resource Office. Contact information is listed below:

Filing a police report with an NWACC Public Safety officer will not obligate you to prosecute, nor will it subject you to scrutiny or judgmental opinions from officers. Filing a report if you are a victim of sexual assault will help ensure that you:

- Understand your options
- Are provided with the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet or change clothing prior to a medical/legal exam). You should not disturb the area where the assault occurred.
- Obtain access to confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.
- Receive necessary medical treatment and tests.
- Are advised of the importance of writing down detailed information about the assault – where, when, who, and if the assailant is a stranger to remember his or her height, hair color, scars, and clothing.
- Are advised to seek emotional support from a friend, counselor, or anyone who can help provide that support.

If you are a victim of sexual assault, you may choose for the investigation to be pursued through the criminal justice system and NWACC, or only the latter. A college representative from the Public Safety Department, the Title IX Coordinator, the Dean of Students, or a representative from Human Resources will guide you through the available options and will support you in your decision. These college representatives will provide options for support and will assist you in connecting with community resources, and local police if desired. Procedures to Follow if Sexually Assaulted

The Student Right to Know and Campus Security Act requires that students be provided information concerning campus sexual assault programs and the procedures which should be followed once an offense has occurred. Although it may be difficult, it is always best to report a sexual assault (attempted rape or rape, which includes acquaintance rape) to the Department of Public Safety or to the local law enforcement as quickly as possible. Crimes that occur on-campus will be referred to the NWACC DPS for jurisdiction purposes.

NWACC’s DPS: (479) 619-4229
Bentonville Police: (479) 271-3170
Rogers Police: (479) 636-4141
Springdale Police: (479) 751-4542
Farmington Police: (479) 267-3411

Any information received will be reported to DPS for crime reporting notifications, campus crime statistics reporting, and campus education programs. Cases of suspected sex discrimination or sexual harassment may be reported to the Title IX Compliance Officer, Teresa A. Taylor, at 479-619-4188 or via email: ttaylor19@nwacc.edu or titleix@nwacc.edu.

In an emergency, an individual should go straight to the hospital.

You are encouraged to go to a hospital emergency room to receive appropriate medical care and/or evidence collection. These important steps should be taken after a sexual assault:

Guidance if you are a victim of sexual assault:

- Call the Center for Sexual Assault at their 24-hour hotline 800-794-4175 for support, accompaniment to the hospital, support with law enforcement, or to meet you at the Sexual Assault Nurse Examiner Crisis Center.
- If the offense is reported to the police, Victim Compensation may pay for the treatment or other injuries that occurred during the rape.
- It is encouraged that you do not shower, eat, drink, smoke, comb your hair, urinate, douche, or change clothes before going to the emergency room or Center for Sexual Assault. However, if you have already taken any of these actions, you are still encouraged to seek medical care, and evidence may still be recoverable.
- If you decide to pursue criminal action, it is important that evidence be preserved. If possible do not alter the physical scene of the assault, i.e., room, car, etc., not be altered, cleaned up, or disturbed in any way. The decision on how to proceed can be made at a later date, but evidence preservation keeps options open.
If you have physical injuries, photograph or have them photographed, with a date stamp on the photo.
Try to document details (physical description, names, license plate number, car description,) if you have time and the ability to do so.
If you decide not to seek medical attention in relation to a police investigation (i.e. the forensic evidence kit), still seek medical attention from a physician or a hospital.
Victims that are capable of becoming pregnant may choose to talk with a healthcare professional about the “morning after pill”. This type of medication is most effective within 72 hours of the incident.
Victims may also want to be screened for sexually transmitted infections.

**Reporting to a Confidential Advocate:**

Some people may choose to start with a Confidential Advocate before making the decision on what steps to take. The following are trained campus advocates:

  jreeves@nwacc.edu  CHP 1053  619-4390

Confidential Advocates have been specially trained to provide affirming, empowering, and confidential support. The Advocate will listen and explain options available to you while providing support. It is your decision to pursue available resources or to report an incident to law enforcement or the College. Although rare, there are times when the College may not be able to honor a victim’s request for confidentiality. If a victim discloses an incident to an Advocate but wishes that no investigation into the incident be conducted or disciplinary action taken, the Advocate must weigh that request against the College’s obligation to provide a safe environment for all students, including the victim.

If the person who is accused of sexual assault is a student at NWACC:

NWACC disciplinary proceedings are detailed in the Student Handbook. Possible sanctions imposed for disciplinary purposes against the student perpetrators of sexual assault in the event of a finding of “in violation” include expulsion, suspension, dismissal, disciplinary probation, educational sanctions, denial of certain privileges, and counseling. The perpetrator could also be subjected to criminal prosecution in the state courts.

The NWACC Department of Public Safety may provide assistance when needed. This can include accompanying an employee on campus who feels threatened.

NWACC makes available literature on date rape and sexual assault through the Student Information Center brochure rack and the Washington County Center. The Arkansas Coalition Against Sexual Assault: www.acasa.us is an informative resource for sexual assault issues.
The sex offender’s registry search is accessible through the State of Arkansas at this link: https://www.ark.org/offender-search/index.php. NWACC’s Department of Public Safety (DPS) maintains a folder of all registered sex offenders. To view this folder, visit the DPS office between the hours of 8:00am and 4:30pm.

**Responding to Victims of Stalking**

Stalking laws in Arkansas prohibit people from engaging in behaviors and conduct that would make a reasonable person fear for their safety or the safety of another individual. Stalking is a pattern of repeated and unwanted attention, harassment, contact, or any other course of conduct directed at a specific person that would cause a reasonable person to feel fear for his or her safety or the safety of others and /or suffer substantial emotional distress. Stalking may include repeated unwanted communication in person or through phone, e-mail, or social media; following or waiting for the victim at their home, school work, etc.; tracking the victim with GPS or other technology; making threats and damaging property.

If you are a victim of stalking, your first priority should be safety.

If there is any immediate danger, contact Campus Police (479-619-4229) if you are on campus, or call 911 if you are off campus. Title IX – Sex Discrimination, Sexual Harassment, and Sexual Misconduct
NWACC Policy 2003 – Updated August 2020

No person at NorthWest Arkansas Community College will, on the basis of sex, be excluded from participation in, be denied benefit of, or be subjected to sex discrimination, sexual harassment or sexual misconduct under any education program or activity. For more information on this policy, please visit: https://nwacc.policystat.com/?t=nljKIEwN-LRzInd3Ca2 _j&next=%2Fpolicy%2F8508370%2Flatest%2F or https://www.nwacc.edu/administrativeservices/riskmanagement/titleix/default.aspx .

Members of the college community, guests and visitors have the right to be free from sexual discrimination, harassment or violence, which means that all members of the campus community are expected to conduct themselves in a manner that does not infringe upon the rights of others. Northwest Arkansas Community College believes in a zero tolerance policy for gender-based misconduct. When an allegation of misconduct is brought to an appropriate administrator’s attention, and a respondent is found to have violated this policy, serious sanctions may be used to reasonably ensure that such actions are never repeated. These procedures have been developed to reaffirm these principles and to provide recourse for those individuals whose rights have been violated. The policy and procedures are intended to define community expectations and establish a mechanism for determining when those expectations have been violated.
The NorthWest Arkansas Community College does not discriminate on the basis of sex in the education programs and activities that it operates and is prohibited from doing so by Title IX of the Education Amendments of 1972, 20 U.S.C. § 1681 et seq., and the U.S. Department of Education’s implementing regulations, 34 CFR Part 106. The College’s nondiscrimination policy extends to admission, employment, and other programs and activities. Inquiries regarding the application of Title IX and 34 C.F.R. Part 106 may be sent to the College’s Title IX Coordinator, the U.S. Department of Education Assistant Secretary for Civil Rights, or both. Title IX is a portion of the Education Amendments of 1972, Public Law No. 92-318, 86 Stat. 235 (June 23, 1972), codified at 20 U.S.C. sections 1681 through 1688.

Jurisdiction
- Title IX protects the college community from sexual harassment in a school's education programs and activities. This means that Title IX protects the college community in connection with all academic, educational, extracurricular, athletic, and other programs of the school, whether those programs take place in a school's facilities, in college transportation, at a class or training program sponsored by the school at another location, or elsewhere.

Confidentiality
- Subject to the other provisions of this policy and the requirements of law, every possible effort will be made to ensure that any information received as part of the College's resolution and complaint procedures is treated discreetly. All parties to the complaint will be asked to assist in maintaining the privacy of the parties involved. Because of the college's obligation to investigate allegations of misconduct, it is not possible to guarantee that complaints will be handled confidentially.
- Except as compelled by law, in the interest of fairness and problem resolution, disclosure of complaints and their substance and the results of investigations and complaint procedures will be limited to the immediate parties, witnesses and other appropriate administrative officials. Disclosure may also be necessary to conduct a full and impartial investigation.

Responsibility to Report
- Any student, faculty member, staff member, administrator, or visitor to the campus who has experienced or witnessed sexual harassment is strongly encouraged to report it. In order to maintain a safe environment, the college must know about incidents of sexual harassment in order to stop them, protect victims, and prevent future incidents.
- It is the responsibility of college faculty, administrators, and supervisors to report complaints of sexual harassment that they receive and of possible sexual harassment of which they become aware. When there is a relationship that involves legally recognized professional confidentiality between the complainant and the person to whom the harassment is reported, the report may be withheld at the request of the complainant.
- Students, faculty members, administrators, staff members, or visitors to the college are strongly encouraged to report allegations of discrimination or harassment to the Title IX Compliance Officer or his or her deputy. A report of sex discrimination or harassment should be made as soon as possible after the incident in order to facilitate an effective response. The longer a report is delayed, the more difficult it will be for the college to investigate. A person who raises a complaint may discuss with the Title IX Compliance Officer any situation believed to constitute sexual discrimination or harassment. Reports may be made by the person experiencing the discrimination or harassment or by a third party, such as a witness or someone who is told of the discrimination or harassment. A complaint against a student may also be reported through the college's online Student Conduct Reporting Form, Advocate. The Student Conduct Reporting Form can be found on the Student Conduct website or at the following link: https://nwacc-advocate.symplicity.com/public report/.
No Retaliation

- Retaliation against any person, who in good faith, exercises his/her rights or responsibilities to file a complaint of discrimination, participates in an investigation, or opposes a discriminatory employment or educational practices or policies, under any provision of federal or state law, including Title IX, Title VII, and the VAWA or this policy, is strictly prohibited by NWACC policy, and federal and state law. Retaliation against a Reporting Party, alleged victim (if different from the Reporting Party), Responding Party, any witness and/or any member of the college Title IX Team, process and Conduct Review Board or assigned investigator, is, in itself, a violation of College policy and the law, and is a serious separate offense. Retaliation includes intimidating, threatening, coercing, and/or in any way discriminating against any person or group for exercising rights under these procedures. Retaliation may be present even where there is a finding of “Not Responsible” on the alleged violation of policy. The Office of Student Conduct and/or Dean of Students Office, and/or the Office of Human Resources may address reports of retaliation informally through consultation or educational conversation, or remand the case to the Conduct Review Board for resolution. A person who believes retaliation has occurred should notify the Title IX Coordinator and/or Title IX Deputy as soon as possible.

False Reports

- NWACC will not tolerate intentional false reporting of incidents. It is a violation of the Codes of Conduct governing NWACC to make an intentionally false report of any policy violation, and it may also violate state criminal statutes and civil defamation laws.

NWACC has a zero tolerance policy for gender-based misconduct to include sexual harassment, discriminatory harassment, domestic violence, dating violence, stalking, and other acts of harassment and/or discrimination congruent with our campus policy.

Individuals who witness, are subjected to, or are informed about incidents of sexual assault, dating violence, domestic violence, stalking, or any form of sexual harassment have the option to file a complaint with a designated college official, including the Title IX Compliance Officer, in accordance with the table below:

Sex Discrimination, Sexual Harassment, and Sexual Misconduct Complaint/Grievance Procedures

Procedures for Policy 2003

Approved: December 2012
Revised: July 2015, December 2018, August 2020

These procedures are intended to apply to student grievances against employees, employee grievances against students, and student-on-student grievances. These procedures may also be applicable in employee grievances against other employees. All other grievances by students against students or employees will be addressed through other conduct procedures.

The college benefits from formal and informal procedures that encourage prompt resolution of complaints and concerns raised by members of the college community.

NOTIFICATION

It is the responsibility of all employees, (i.e. college faculty, administrators, supervisors) whether full or part time, to report complaints of sexual harassment/sexual misconduct that they receive and of possible sexual harassment/sexual misconduct of which they become aware. Any student and/or visitor to the campus who has experienced or witnessed sexual harassment/sexual misconduct is strongly encouraged to report it. A report of sex discrimination or harassment should be made as soon as possible after the incident in order to facilitate an effective response. The longer a report is delayed, the more difficult it will be for the college to investigate.

A person who raises a complaint may discuss any situation believed to constitute sex discrimination or sexual harassment with any member of the Title IX team. Reports may be made by the person experiencing the discrimination or harassment or by a third party, such as a witness or someone who is told of the discrimination or harassment. A complaint against a student may also be reported through the college’s online Student Conduct Reporting Form, Advocate, which can be found on the Student Conduct website or at the following link: https://nwacc-advocate.symplicity.com/public_report/. A complaint against an employee may be made through the college’s online Ethics Point report line (https://secure.ethicspoint.com/domain/media/en/gui/15781/index.html).
After selecting the “Make a Report” tab, the reporting party should look for the Discrimination and Harassment button under the Human Resources arrow. Reports can also be made directly to the Title IX Coordinator via email: titleIX@nwacc.edu or (479) 619-4188.

Responsible Employee
A “Responsible Employee” includes any employee who: (1) Has the authority to take action to redress the harassment; (2) Has the duty to report to appropriate school officials sexual harassment or any other misconduct by students or employees; or (3) A student could reasonably believe has the authority or responsibility to take action. All College employees who do not have legally protected confidentiality are considered Responsible Employees. This includes all employees with supervisory or leadership responsibilities on campus, including, but not limited to, faculty, coaches, administrators, staff members and student club/organization advisors. The College requires that all Responsible Employees share a report of misconduct with the Title IX Coordinator or a Deputy Title IX Coordinators. The purpose of this requirement is to permit the College to take immediate and corrective action to respond to allegations of prohibited conduct.

Disclosures Required by The Clery Act

Timely Warnings
A “Timely Warning” is a campus-wide notification of a serious or continuing threat to the NWACC community. The Timely Warning does not include identifying information about the Reporting Party. If a report of misconduct discloses a serious or continuing threat to the NWACC community, the College may issue a campus wide timely warning (which can take the form of an email to campus) to protect the health or safety of the community.

Annual Reporting Responsibilities
All higher education institutions that receive federal funding, including the College, are obligated to issue publicly an Annual Security Report (“ASR”) which identifies the number of particular reported crimes on campus or campus property, or adjacent to campus. The ASR does not include identifying information about the Reporting Party or Responding Party.

Crime Log
All higher education institutions that have campus police forces or security departments must maintain a daily crime log that includes entries for all crimes that occur within both the Clery geography and the campus police force’s regular patrol route. The crime log does not include identifying information about the Reporting Party or Responding Party.

NorthWest Arkansas Community College’s Title IX Coordinator and Deputy Coordinators

The Title IX Coordinators, Title IX Deputy Coordinators, and members of the Title IX Team can be contacted by office telephone, email and/or in person during regular office hours.
All reports, complaints and any concerns about conduct that may violate this Policy should be submitted to the Title IX Coordinator, or any member of the Title IX Team.

Role of the Title IX Coordinator and Deputy Coordinators

The Title IX Coordinator monitors the College’s overall compliance with Title IX, ensures appropriate training and education, and oversees the College’s investigation, response, and resolution of reports made under this Policy. Upon receiving reports of prohibited conduct, the Title IX Coordinator ensures that appropriate action is taken to eliminate that conduct, prevent its recurrence, and remedy its effects. The Title IX Coordinator is available to advise all individuals — including individuals who have experienced misconduct, individuals who are alleged to be responsible for misconduct, and third-parties — on this Policy and the processes.

The Title IX Coordinator is supported and assisted by Deputy Coordinators. In addition, based on the relationship of the Reporting Party(ies) and/or the Responding Party(ies) to the College, the Title IX Coordinator may be supported by the Vice President for Student Services, the Dean of Students, the Chief of Campus Safety, and a representative(s) from the Dean of Students Office and/or Human Resources. Collectively, the Title IX Coordinator and the individuals supporting the Title IX Coordinator are the “Title IX Team.” The Title IX Team is a small circle of individuals who have a “need to know” of any alleged prohibited conduct to effectuate this Policy and procedures. All individuals are employees of the College and have received appropriate training to discharge their responsibilities.
**Reporting to the College**

The College strongly encourages all individuals to seek assistance from a medical provider and/or law enforcement immediately after an incident of sexual violence. This is the best option to ensure preservation of evidence and to begin a timely investigative and remedial response.

The College also strongly encourages all individuals to make a report to the College and to local law enforcement, although neither is required. These reporting options are not mutually exclusive. Both internal and criminal reports may be made simultaneously.

The College has a strong interest in supporting survivors of sexual harassment, sexual violence, stalking, and intimate partner violence and strongly encourages all individuals or third party witnesses to report any incident to the College.

Making a report means telling a Responsible Employee what happened—in person, by telephone, in writing, or by email. At the time a report is made, a Reporting Party does not have to request any particular course of action, nor does a Reporting Party need to know how to label what happened. Choosing to make a report, and deciding how to proceed after making the report, can be a process that unfolds over time. The College provides support that can assist each individual in making these important decisions, and will respect an individual’s autonomy in deciding how to proceed to the extent legally possible. In this process, the College will balance the individual's interest with its obligation to provide a safe and non-discriminatory environment for all members of the College community.

The College will investigate and resolve all reports of prohibited conduct in a fair and impartial manner. A Reporting Party, a Responding Party and all individuals involved will be treated with dignity and respect. In response to all reports of prohibited conduct, the College will make an immediate assessment of any risk of harm to the Reporting Party, Responding Party, or to the broader campus community and will take steps necessary to address those risks. These steps may include supportive measures to provide for the safety of the individual and the campus community.

**Emergency and External Reporting Options**

In some instances, sexual misconduct may constitute both a violation of College policy and criminal activity. The College grievance process is not a substitute for instituting legal action.

A Reporting Party(ies) has the right to notify or decline to notify law enforcement. The College strongly encourages all individuals to seek assistance from law enforcement immediately after an incident of sexual misconduct, intimate partner violence, or any other prohibited conduct. This is the best option to ensure preservation of evidence and to begin a timely investigative and remedial response. Police have unique legal authority, including the power to seek and execute search warrants, collect forensic evidence, make arrests, and assist in seeking emergency protective orders. The College will help any NWACC community member in coordination with law enforcement, and information about on- and off-campus resources and options for resolution.

Reports may be made directly with local law enforcement agencies by dialing 911. Individuals may also contact any of the following for assistance in filing a report with local law enforcement:

**Anonymous Reporting**

Any individual may make an anonymous report concerning an act of prohibited conduct. An individual may report the incident without disclosing their name, identifying the Responding Party, or requesting any action. Depending on the extent of information available about the incident or the individuals involved, however, the College's ability to respond to an anonymous report may be limited. Reports can be filed anonymously through the Advocate Reporting System at: https://nwacc-advocate.symplicity.com/public_report/index.php/pid666144? and/or through the EthicsPoint reporting system at: https://secure.ethicspoint.com/domain/media/en/gui/15781/index.html

The Title IX Coordinator and/or Title IX Deputies will receive the anonymous report and will determine any appropriate steps, including individual or community remedies as appropriate, and in consultation with the Clery Team, ensure compliance with all Clery Act obligations.
Review of Title IX Complaint

When a Title IX complaint is filed, the Title IX Team will communicate and/or convene to review the information presented and to determine the appropriate course of action. The College may choose to offer and facilitate informal resolution options, such as mediation or restorative justice, so long as both parties give voluntary, informed, written consent to attempt informal resolution. This informal resolution option can only be utilized after a report has been determined to be a possible Title IX violation and the official process has begun. The College may choose to impose supportive measures at its discretion to ensure the safety of all Parties, the broader College community, and/or the integrity of the process.

A reporting party’s wishes with respect to whether the school investigates should be followed unless the Title IX Coordinator, in light of the known circumstances, determines to initiate an investigation over the wishes of the reporting party.

Any report filed through Title IX which does not meet the requirements to be formally investigated through the Title IX process may still be subject to investigation and determination through the Office of Student Conduct as a Student Code of Conduct violation. Reports involving College employees will be investigated by Human Resources. This includes any report that is filed due to an incident off campus or part of any college affiliated event (i.e., study abroad).

For Complaints Against Students:
If a formal investigation is filed, the appropriate Title IX Deputy and/or the Director of Student Conduct and/or designee will convene an investigation team and will assign the Director of Student Conduct and 2-3 members of the Conduct Review Board (CRB) to conduct the investigation. The Director of Student Conduct and/or designee will prepare the notice of charges on the basis of the initial information received in the complaint. The Title IX Deputy and/or designee will determine appropriate accommodations for all parties, including but not limited to the Reporting Party, Responding Party, and/or witnesses as needed, and/or other necessary remedial short-term and/or interim actions. The appropriate Deputy or designee will oversee the investigation of the incident and in the enforcement of sanctions, if any. The Title IX Coordinator and/or his/her Deputy will apprise the Vice President of Student Services of the grievance.

For Complaints Against Employees:
If a formal investigation is filed, the Title IX Deputy for Human Resources (HR) and/or designee will convene an investigation team and will assign 2-3 members of the Conduct Review Board (CRB) to conduct the investigation. The Title IX Deputy for HR and/or designee will prepare the notice of charges on the basis of the initial information received in the complaint. The Title IX Deputy for HR and/or designee will determine appropriate accommodations for all parties, including but not limited to the Reporting Party, Responding Party, and/or witnesses as needed, and/or other necessary remedial short-term and/or interim actions. The Title IX Deputy for HR and/or designee will oversee the investigation of the incident and will work with the Title IX Coordinator and/or Title IX Team to suggest appropriate sanctions, if any. The Title IX Coordinator and/or his/her Deputy will apprise the employee’s supervisor and the Vice President for the appropriate division of the grievance.

Supportive Measures
NWACC may take action to ensure the safety and security of the NWACC community and its members, while resolution of the Title IX case is pending. Interim protections and remedies may be provided during the investigation of a Title IX report. Supportive measures will be reviewed and implemented by the Title IX Team.
The College will make reasonable efforts to communicate with the Parties to ensure that all safety, emotional, and physical well-being concerns are being addressed.

Supportive measures are issued pending an investigation of the allegations. Supportive measures may be provided for any member of the NWACC community, including students and/or employees, and may be provided regardless of whether formal disciplinary action is sought by the Reporting Party or the College, and regardless of whether the crime is reported to the campus Department of Public Safety or local law enforcement.

The College will maintain the privacy of any remedial and protective measures provided under this Policy to the extent practicable and will promptly address any violation of the protective measures. All individuals are encouraged to report concerns about failure of another individual to abide by any restrictions imposed by an interim measure. The College will take immediate and responsive action to enforce a previously implemented restriction if such restriction was violated.

The College will notify both parties of any supportive measures that will be taken.

These actions may be applied to the Reporting Party(s), the Responding Party(s), or to student groups. Actions can include, but are not limited to:

**Supportive Measures For Students**
- A no-contact order placed between students, or between a student and another member of the college.
- Changes in academic and work schedules, and/or student groups/clubs/organizations.
- Assistance in requesting academic allowances, including rescheduling of exams and assignments
- Providing alternative course completion options (with agreement of appropriate faculty).
- Providing academic support services, such as tutoring.
- Providing an escort to ensure safe movement between class and/or work locations on NWACC campuses.

**Supportive Measures For Employees**
- A no-contact order placed between employees, or between an employee and another member of the college.
- Changes in work, duties assigned, work groups, office location, or supervision.
- Reassignment of Parking.
- Providing an escort to ensure safe movement between class and/or work locations on NWACC campuses.

**Advisors**
Each party is permitted to have an Advisor of their choosing with them throughout the entire process. This can be a family member, an attorney, etc. For the hearing portion of the process, the Title IX Coordinator, or designee, will determine if both parties have an advisor. Either party may request an advisor for the hearing if they are unable to present one. If an advisor is requested for the hearing, the Title IX Coordinator, or designee, will provide them one. The provided Advisor is not considered legal counsel.
**Investigation**

The Title IX Deputy, Director of Student Conduct, and/or designee will be in charge of the Investigation and will oversee the process in conjunction with the Title IX Coordinator. The Investigation will be electronically recorded so that the proceedings may be reviewed in the event of an Appeal.

During the Investigation, the following parties may ask questions that are relevant to the complaint:

- The Title IX Coordinator, the Title IX deputy or designee; and
- The assigned Title IX Investigator
- Hearing Board

The Title IX Investigator will:

- Interview all necessary members of the complaint; Reporting Party, Responding Party, witnesses, etc.
- Complete the investigation promptly, and without unreasonable deviation from the intended timeline; 
- Submit a report with all information obtained from the investigation to both parties for review. Either party may have the opportunity to request information be edited if it does not fit what was communicated to the investigator. The request will be reviewed by the Investigator to determine if the information should be changed or not. A determination about possible edits will be made and communicated back to the requesting party.

All evidence from both parties MUST be submitted before the hearing to allow the other party to review.

**Hearing Board**

Hearing board members will be determined by the Title IX Coordinator, or designee. The hearing board members will be determined through the pool of trained Conduct Review Board members.

The Hearing Board will:

- Be staffed with trained, unbiased faculty/staff and administrators, and special attention will be given to the selection of Hearing Board members to help prevent conflict of interest, personal connections and/or association to parties involved in the case, and to help prevent bias.
- Be presented to both parties for review. Either party may request to have someone removed if concerned of biases, personal connection, or any possible association to either party.
- Determine a chair of the board who will facilitate the pre-hearing meeting, as well as the hearing.
- Reside over the hearing and make the determination on whether a party is found responsible or not responsible for violating NWACC Title IX policy.

**Pre Hearing Meeting**

A pre-hearing meeting will be offered with the chair of the hearing board and each party/advisor to make sure the procedures are laid out and any questions can be answered prior to the hearing.

*PLEASE NOTE: If a party or witness does not submit to cross-examination at the live hearing, the decision-maker(s) must not rely on any statement of that party or witness in reaching a determination regarding responsibility; provided, however, that the decision-maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party’s or witness’s absence from the live hearing or refusal to answer cross-examination or other questions.*
**Hearing**

The hearing will determine the official outcome of the investigation. The hearing board will listen to information and evidence from both parties and a determination will be made by the hearing board from the findings.

- The hearing will be scheduled by the chair of the hearing board. Class schedules will be taken into account. The date, time, and location of the hearing will be communicated to both parties via their NWACC email. Either party has the opportunity to request a change to the hearing date/time, and that request must be sent to the chair for review.
- The hearing may occur in one location on campus, in separate rooms on campus connected via technology, or virtually, if requested by either party.
- Hearing board members will be given a copy of the completed investigative report to review and utilize in the hearing.
- Hearing board members, advisors, and both parties reserve the right to request witnesses be present at the hearing to provide information. Advisors must request the names of witnesses be present at least three (3) days prior to the hearing.
- Cross examination will occur in the hearing where ONLY the advisor has the opportunity to question both parties. One party cannot question the other party.
  - Both parties MUST be subject to live cross examination. The hearing board may not rely on a prepared statement. If one refuses to answer questions, the hearing board cannot draw an inference of responsibility.
  - The hearing board may deny any question be asked if it is determined to be irrelevant to the case.
- The hearing board has the authority to remove anyone from the hearing who they believe is exhibiting behavior not conducive to the hearing.

Once the hearing has concluded, a determination will be made by the hearing board and the determination letter will be sent to both parties within five (5) business days of the hearing.

Where the findings indicate that the alleged discrimination, harassment and/or sexual misconduct has occurred, an appropriate sanction(s) will be imposed.

Both the Reporting Party and the Responding Party have the right to request an appeal of the investigation and findings. Appeal requests must be filed in writing within five (5) business days upon receipt of final outcome. Appeal requests must be submitted to the Title IX Coordinator, and/or assigned Title IX Deputy or Designee.

**Sanctions**

**Possible Sanctions for Students**

If the complaint is against a student, the Title IX Team will discuss and suggest appropriate sanctions to the Vice President of Student Services. The Vice President of Student Services will review and impose appropriate sanctions for the violation in consultation with the Dean of Students.

Sanctions are based on the severity of the incident, as well as taking into account any previous campus code of conduct violations. Types of actions/penalties include, but are not limited to the following:
Disciplinary Sanctions

1. Disciplinary Warning. The Student has been given a verbal or written letter of warning by the College. Warning status will be documented in the students’ record.
2. Conduct probation. Imposed when a student’s actions are found to be serious, but not serious enough to warrant Suspension or Expulsion. The disciplinary authority shall indicate the length of the probationary period, which may range from one (1) semester to completion. A further violation of the Code of Student Conduct while on Conduct Probation may result in a Suspension or Expulsion. Conduct Probation may prohibit the student from representing the college, participating in student activities, and/or participating in work study employment.
3. Restriction of participation in student organizations, events, and college employment and limited access to designated areas.
4. Restitution: Repayment to the College or to an affected party for damages (amount to be determined by the College) resulting in violation of this Code, or the Code of Student Conduct.
5. Course or Program Dismissal. In lieu of Suspension from the College, a student may be removed from a class or program entirely, but still be allowed to take other classes or enroll into a different program as specified by the sanction.
6. Suspension. Interruption of the student’s educational activities at the college for a definite, stated period.
   a. Suspension involves withdrawal of enrollment privileges for a specified period of time and ordinarily carries with it conditions that must be met for re-enrollment. During the period of Suspension, the student may not come onto campus, except when specifically authorized in writing by the Dean of Students, Title IX Coordinator, or designee. Re-enrollment after a Suspension requires that the student apply to the Dean of Students or designee at the close of the imposed period. The Dean of Students, Title IX Coordinator, or designee determines whether the student has met the conditions imposed and is otherwise eligible for re-enrollment. These records are maintained indefinitely.
   b. Suspensions may range from one (1) semester to four (4) semesters.
7. Expulsion. Termination of enrollment at the college. Expulsion is an indefinite sanction and the student will not be allowed to enroll, attend, or visit the college campus(es) in the future. This sanction will remain on the students’ file indefinitely and will be reported on the students’ transcript.
   a. Disciplinary Expulsions may be notated at the bottom of the transcript and will include the initial date of expulsion.
8. Revocation of degree. A degree awarded from NWACC may be revoked for violations committed by a student prior to graduation.

Educational Sanctions

1. Co-curricular education. An assignment to complete a specific educational requirement directly related to the violation committed, such as completion of a sexual harassment workshop, a diversity awareness workshop, essays, reports, reflective papers, journals, etc.
2. Attendance at a mediation meeting.
3. Community Service. Completion of a specified number of hours of approved community or college service. The student is permitted to complete a portion of the hours through academic initiatives such as attending programs with the Career Development, tutoring sessions, etc., but must be verified by a College Faculty or Staff member.
4. A conduct review which requires the student to meet with a college official for a specific period of time.
5. Mandatory professional counseling. The Student is required to seek professional counseling and is required to comply with the professional recommendation(s) of the mental health professional. It is expected that the student will actively engage in this process.

7. Alcohol and/or Drug Assessment. The Student is required to complete a mandatory Alcohol and/or Drug Assessment through a licensed professional mental health practitioner who is licensed or certified by the State of Arkansas. The student is required to comply with the prescribed course of treatment. The selection of the practitioner is the choice of the student and will be paid for by the student. The student must submit documentation of completion of both the assessment and the prescribed course of treatment.

More than one sanction may be imposed for any single violation.

**Possible Sanctions for Employees**

If the Responding Party is an NWACC employee and he/she has been found responsible for discrimination, harassment, and/or sexual misconduct, the Vice President for the appropriate division of the complaint, will impose appropriate sanctions for the violation, after consultation with the Title IX Team, Dean and/or Director of the appropriate division, and/or the Title IX Deputy for Human Resources.

Any employee who is found responsible for violating NWACC’s Title IX Policy may be subject to corrective action and appropriate sanctions pursuant to this policy. Sanctions may include, but are not limited to:

1. Verbal or Written Warning
2. Documented educational conversation
3. Suspension of duties, including leave with or without pay
4. Change of assigned work duties and/or change of assigned work supervisor
5. Probation with warning to terminate employment
6. Termination
7. Loss of annual pay increase
8. Revocation of tenure
9. Additional Training

More than one sanction may be imposed for any single violation. Employees Code of Conduct is also regulated under NWACC Policy 5007.1 – Employee Code of Conduct and Ethics Compliance.

**Appeals Process Following a Hearing**

Both the Reporting Party and the Responding Party have a right to appeal the findings set out in the Hearing.

In the event that the Reporting Party or Responding Party seeks an appeal, they must contact the Title IX Coordinator, or designee, within five (5) business days following receipt of the written letter of determination. The appeal must fall under one of the below conditions.

**Reporting Party:** The Reporting Party may submit a written appeal within five (5) business days from receiving the letter of determination under one of the following conditions:

- If the Reporting Party believes the right to due process was not followed.
- If the Hearing Board found that the Responding Party did not violate a policy that the Reporting Party believes has been violated.
• If the Responding Party has been found responsible for one or more policy violations, but not others.
• If bias has occurred.

**Responding Party:** The Responding Party may submit a written appeal within five (5) business days from receiving the letter of determination under one of the following conditions:

• If the Responding Party believes the right to due process was not followed.
• If new evidence exists that was not previously known during the investigation.
• If the sanction(s) imposed are not appropriate/too harsh.
• If bias has occurred.

It is the responsibility of the party requesting the Appeal to contact the Title IX Deputy assigned to the case, the Director of Student Conduct, and/or the Title IX Coordinator, in writing or electronically, within five (5) business days of being issued the findings of the hearing. This request can be sent via NWACC issued email only, hand delivered, or delivered via campus mail. It is the responsibility of the individual who is requesting the Appeal to ensure that delivery and receipt of the written request is received by the intended individual or office. The written appeal must state the reason for the appeal request and must fall under one of the above conditions. An email confirmation regarding the receipt of the Appeal will be sent via email to the NWACC issued email address of the requesting party. We encourage all parties to only use their NWACC issued email address. Any correspondence sent from a personal email account must include NWACC issued ID numbers.

All sanctions imposed by the original hearing outcome will be in effect during the Appeal. A request may be submitted to the Title IX Deputy or designee for special consideration in exigent circumstances, but the presumptive stance of the institution is that the sanctions will stand.

The Title IX Team will be responsible for reviewing all Appeals. The party submitting the appeal may be asked to be present during the Appeal Board meeting. During the Appeal, all case notes, interview notes, evidence, written statements, findings, and outcome of the investigation and hearing will be admitted. The Title IX Team is not bound by the finding(s) of the hearing board. The goal of the Appeal is to provide an equitable resolution via an equitable process, respecting the civil and legal rights of all participants.

The Title IX Team can contact any individual, Reporting Party, Responding Party, and/or witness(es) involved in the case for additional information during this Appeals Process.

The Appeal Board will determine the final outcome for the case based on review of all the evidence and relevant information. The following outcomes may occur from an Appeal Board finding:

1. The original decision from the Hearing Board stands.
2. The Appeal Board finds the sanctions to be incorrect and changes them to what they feel necessary.
3. The Appeal Board finds that the Hearing Board outcome was incorrect and changes to what they feel necessary.

The Appeal Board finds that new evidence exists and makes a new determination based on the new evidence.

**Procedures Governing the Hearing of Appeals:**
The appeal procedure and determination will typically be completed within 20 business days. The procedures governing the hearing of appeals include the following:
• Sanctions imposed are implemented immediately unless the party determining the sanction stays their implementation in extraordinary circumstances, pending the outcome of the appeal.
• All parties should be informed in a timely manner of the status of requests for appeal, the status of the appeal consideration, and the results of the appeal decision;
• Appeals are not intended to be full re-hearings of the complaint. In most cases, appeals are confined to a review of the written documentation or record of the original investigation, and pertinent documentation regarding the grounds for appeal;
• The Title IX Coordinator and/or designee will render a written decision on the appeal to all parties within seven (7) business days, or as soon as possible thereafter from hearing of the appeal.

**NWACC will act to end the discrimination or harassment, prevent its recurrence, and remedy its effects on the person(s) who filed the complaint and on the NWACC community.**

**COMPLAINT AND GRIEVANCE PROCESS PROVISIONS**

**Time Periods**
All effort will be made to make a determination in no more than 60 calendar days of filing a formal complaint/grievance.

For purposes of calculating all time periods set forth in this Complaint and Grievance Policy, a business day is defined to mean normal operating hours, Monday through Friday, excluding recognized national and state holidays and NWACC closings.

Timelines may be modified in cases where information is not clear, judged to be incomplete, relevant parties are not available for interview, and/or other related circumstances as may arise. In the event that this step is necessary, the Title IX Coordinator or his or her respective deputies will notify the reporting party who filed the grievance in writing within the set timeline.

**Presumption of Innocence**
There is the presumption that the responding party is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

**Standard of Proof – Preponderance of Evidence**
The facts or evidence presented through an investigation show that a violation more likely than not occurred or did not occur.

**Informal Resolutions**
Once a report has been filed and the official Title IX process begins, the Title IX Coordinator, or designee, may find through gathering information that other conflict resolution opportunities can be beneficial to help remediate the situation, when appropriate. All parties must mutually agree to the conflict resolution method, including a written agreement of the resolution method. AT any point, that agreement can be removed and the process may continue with the investigation and hearing.

**No Retaliation**
Retaliation against any person, who in good faith, exercises his/her rights or responsibilities to file a complaint of discrimination, participates in an investigation, or opposes a discriminatory employment or educational practices or policies, under any provision of federal or state law, including Title IX, Title VII, and the VAWA or
this policy, is strictly prohibited by NWACC policy, and federal and state law. Retaliation against a Reporting Party, alleged victim (if different from the Reporting Party), Responding Party, any witness and/or any member of the college Title IX Team, process and Conduct Review Board or assigned investigator, is, in itself, a violation of College policy and the law, and is a serious separate offense. Retaliation includes intimidating, threatening, coercing, and/or in any way discriminating against any person or group for exercising rights under these procedures. Retaliation may be present even where there is a finding of “Not Responsible” on the alleged violation of policy. The Office of Student Conduct and/or Dean of Students Office, and/or the Office of Human Resources may address reports of retaliation informally through consultation or educational conversation, or remand the case to the conduct process for resolution. A person who believes retaliation has occurred should notify the Title IX and/or Title IX Deputy as soon as possible.

**False Reports**
NWACC will not tolerate intentional false reporting of incidents. It is a violation of the Codes of Conduct governing NWACC to make an intentionally false report of any policy violation, and it may also violate state criminal statutes and civil defamation laws.

**Integrity of Proceeding**
These procedures are entirely administrative in nature and are not considered legal proceedings, but rather procedures designed to address policy violations. Neither party may audio or video record the proceedings. Recordings will be made available to each party.

**Consolidation of Investigations**
The college has the discretion to consolidate into one Investigation multiple reports against a Responding Party and/or cross-complainants between a Reporting Party and a Responding Party, if the evidence related to each incident would be relevant and probative in reaching a determination on the other incident. Matters may be consolidated where they involve multiple Reporting Parties, multiple Responding Parties, or related conduct that would regularly have been heard under the Code of Student Conduct.

**Advisor/Support Person**
All persons who are a Reporting Party or a Responding Party to this grievance process are permitted to bring an Advisor of their own choosing, including a family member or an attorney, to provide support. The Advisor may accompany the Party to any and all portions of the grievance process. The College will provide an Advisor for the hearing if requested by the Reporting or Responding party. The provided advisor is not considered legal counsel. They will help navigate the hearing and provide support. Although reasonable attempts will be made to schedule proceedings consistent with advisors availability, the process will not be delayed to schedule the proceedings at the convenience of the Advisor. The chair of the hearing board has the discretion to remove the Advisor from the proceedings if the Advisor interferes with the proceedings or if the chair believes the advisor is exhibiting behavior not conducive to the proceedings.

**Training**
The College provides training to all individuals within the community who are involved in responding to, investigating, or resolving reports of prohibited conduct. If the College retains an individual outside the community to respond to, investigate, or resolve reports of prohibited conduct, the College requires the retained individual has received adequate training consistent with the College’s standards.

**Past Sexual History**
In general, a Reporting Party’s prior sexual history is not relevant and will not be provided to the Investigator or Conduct Review Board. Where there is a current or ongoing relationship between the Reporting Party and the Responding Party, and the Responding Party alleges consent, the prior sexual history between the Parties
may be relevant to assess the manner and nature of communications between the Parties. As noted in the definition of Consent, however, the mere fact of a current or previous dating or sexual relationship, by itself, is not sufficient to constitute consent. Any prior sexual history of the Reporting Party with other individuals is typically not relevant and will not be permitted.

**Prior Conduct History**

Prior conduct history of the Responding Party will be taken into account for sanctioning, if the Responding Party is found to be responsible for the alleged Title IX violation.

**Failure to Comply with Investigation and Disciplinary Process**

If an Advisor fails to comply with the procedures as determined in this document, including through a material breach of confidentiality, the College reserves the right to exclude the advisor from further participation in the process. If a participant(s) fails to comply with the procedures as determined in this document, including through a material breach of confidentiality, the College reserves the right to bring additional charges of misconduct against the participant. The Conduct Review Board is responsible for interpreting and applying this provision.

All parties have the right to choose to not participate in this process, however, the College retains the right to review, investigate, and/or determine outcome(s) and/or sanction(s) in the absence of participation.

**Privacy and Confidentiality**

The College is committed to protecting the privacy of all individuals involved in the investigation and resolution of reports under this Policy. The College also is committed to assisting students, employees, and third Parties in making informed choices. With respect to any report under this Policy, the College will make reasonable efforts to protect the privacy of participants, in accordance with applicable state and federal law, while balancing the need to gather information to take steps to eliminate prohibited conduct, prevent its recurrence, and remedy its effects.

All College employees who are involved in the College’s Title IX response receive specific instruction about respecting and safeguarding private information.

Privacy and confidentiality have distinct meanings under this Policy.

1. **Privacy**

“Privacy” generally means that information related to a report of prohibited conduct will only be shared with a limited individuals who “need to know” in order to assist in the assessment, investigation, or resolution of the report. While not bound by confidentiality, these individuals will be discreet and respect the privacy of all individuals involved in the process.

The privacy of student education records will be protected in accordance with the Family Educational Rights and Privacy Act (“FERPA”), as outlined in the College’s FERPA policy. The privacy of an individual’s medical and related records may be protected by the Health Insurance Portability and Accountability Act (“HIPAA”), excepting health records protected by FERPA. Access to an employee’s personnel records may be restricted by applicable Arkansas State and federal law.

While there are certain limitations on privacy, the College generally will not release the names of the Reporting Party(ies) or Responding Party(ies) to the general public without express written consent or absent another
exception consistent with the law. The release of names will be guided by applicable law, including the Family Educational Rights and Privacy Act (FERPA) and the Clery Act.

In addition, no information shall be released from a proceeding to enforce this Policy except as required or permitted by law and College policy.

2. Confidentiality

“Confidentiality” generally means that information shared by an individual with designated campus or community professionals cannot be revealed to any other individual without the express permission of the individual.

The confidentiality of information shared by an individual with designated campus or community professionals generally is governed by Arkansas State or federal law, including restrictions on disclosure of information by mental health providers, ordained clergy, rape crisis counselors, and attorneys, all of whom have legally protected confidentiality. These individuals are prohibited from breaking confidentiality unless there is an imminent threat of harm to self or others.

An individual who seeks confidential assistance may do so by speaking with professionals who have a legally protected confidentiality. Note, however, that these confidential resources are required by state law to notify child protective services and/or local law enforcement of any report which involves suspected abuse of a minor under the age of 18.

**Reports Involving Minors or Suspected Child Abuse**

Under Arkansas law, an individual must make a mandatory report of suspected child abuse and neglect, including sexual assault when that individual, in their professional capacity or within the scope of their employment, has knowledge of, or observes a minor under the age of 18 whom the individual knows or reasonably suspects has been the survivor of child abuse or neglect.

All College employees are required to immediately report any suspected child abuse and neglect to the Child Abuse hotline at 1-800-482-5964. Reports can be made anonymously. The source of abuse does not need to be known by the reporting party in order to file a report.

The College will report all suspected child abuse and neglect, including sexual assault, to law enforcement and/or the Arkansas Department of Human Services. The College must act quickly regarding all reasonable
suspicions of sexual or physical abuse. It is not the responsibility of any employee, student, or volunteer to investigate suspected child abuse. This is the role of law enforcement authorities.

In addition to notifying the Title IX Coordinator and Director of Campus Safety, any individual may make a direct report as follows:

- If a child is in immediate danger, call 911.
- If there is no immediate danger, contact the Child Protection Hotline 24 hours a day, 7 days a week, at (800) 482-5964.

**Conflict of Interest**

Members of the Title IX team and Hearing Board will notify the Title IX Coordinator or Deputy if they have a direct connection and/or affiliation to any party and/or witness named in the Title IX complaint which may create a conflict of interest.

**Office of Civil Rights Complaint**

Although reporting parties are encouraged to attempt to resolve complaints pertaining to discrimination by utilizing this Grievance Procedure, they have the right to file a complaint directly with the U.S. Department of Education, Office for Civil Rights (OCR) (Dallas regional office). Information regarding applicable timelines and procedures is available from OCR. You may call 1-800-421-3481 to obtain further information about filing a complaint.

**Notice That Cases Will Not Be Re-Heard**

Absent new evidence, NWACC will not re-hear a complaint if the same complaint allegations have been filed by the reporting party against the same responding party with another civil rights enforcement agency of the federal, state or local government or through NWACC’s internal complaint procedures, including due process proceedings.

**Effective Date**

This Complaint and Grievance Policy will be effective upon formal adoption. NWACC reserves the right to make changes and amendments to this policy and procedure as needed, with appropriate notice to the community. However, the policy in force at the time that the complaint is filed will be the policy used throughout the investigation and adjudication process.

State of Arkansas – Laura’s Law

The recently enacted "Laura’s Law" requires Arkansas police officers responding to domestic violence incidents to ask victims a set of questions to evaluate their risk of being killed by abuse, such as whether the offender has ever used a weapon against the victim or controls most of the victim’s daily activities. The assessment aims to help identify victims in severe danger needing intervention. Police will also present victims with a "Laura’s Card," a document listing their rights and contact information for local prosecutors and shelters.

Laura's Card

Purpose:
- To provide crime victims their rights afforded to them by Arkansas’ Victim’s Bill of Rights outlined in Arkansas Victim Rights Act of 1997 and Laura's Card Act 873
- To provide state wide consistency of information concerning victim’s rights provided to victims’ of crime.
- To provide victim rights and information in a clear and concise manner in order to empower victims to make decisions about their safety

Protocol:
Law enforcement agencies responding to crime incidents are required to inform victims in writing of their victim’s rights. Officers MUST inform victims of the availability of services: medical, housing, counseling, financial, social, legal, and emergency services. In addition, officers MUST inform victims about how to obtain orders of protection, how to access public records related to the case, and about the Arkansas Crime Victims Reparations Board (including the address and phone number).

Notification of On-and-Off Campus Victim Services

Guidance and assistance for reporting the assault may be received from DPS or the Office of Student Support. If the assault is reported within 72 hours of its occurrence and you cooperate with the police in providing information and evidence, the State of Arkansas pays for the medical examination. Also, if the offense is reported to the police, Victims Compensation may pay for the treatment of other injuries that occurred during the rape. Under any circumstances medical evaluation is important because of the possibilities of sexually transmitted diseases and pregnancy.

If a student has been the victim of a sexual assault, NWACC may change the victim's academic schedule after the alleged sex offense if those changes are requested by the victim and they are reasonably available. The VP of Student Services or the Dean of Students can provide information about this option and assist you with the process. NWACC does not provide on or off campus housing and does not assist with living arrangements.

Employee victims might have the option to make temporary changes to their work assignment, if such change is reasonably available. The Human Resource Office will provide more information on what options are available.
Disciplinary Actions

The NWACC Student Code of Conduct, found in the Student Handbook, contains the procedures for campus disciplinary action. The college will conduct an investigation when a complaint is received. The complainant and the respondent are entitled to the same opportunities to be heard. They may both have the same opportunities to have others present as representatives and witnesses if a formal hearing is held and both parties are informed of the outcome in accordance with federal laws. A complete explanation of the hearing and appeals process can be found on the college website: https://nwacc.policystat.com/policy/5179086/latest/ or in the Student Handbook under “Student Conduct Policies and Procedures”.

No Retaliation

Retaliation includes intimidating, threatening, coercing, and/or in any way discriminating against any person or group for exercising rights under these procedures. Retaliation may be present even where there is a finding of “Not Responsible” on the alleged violation of policy. The Office of Student Conduct and/or Dean of Students Office, and/or the Office of Human Resources may address reports of retaliation informally through consultation or educational conversation, or remand the case to the conduct process for resolution. A person who believes retaliation has occurred should notify the Title IX and/or Title IX Deputy as soon as possible.
Registered Sex Offenders

The federal Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed by, institutions of higher education. The federal law requires institutions of higher education to issue a statement advising the campus community where information concerning registered sex offenders may be obtained.

Pursuant to Arkansas Act 916 Sex Offender Registration of 2017, sex offenders must register with NWACC within three days of employment or registration. The NWACC Department of Public Safety maintains all records of registration and they are available to the public upon request. See http://content.nwacc.edu/AdministrativeServices/CollegePolicy/PublicSafety/SexOffenderRegistrationPolicy.pdf

Introduction

The Drug-Free Schools and Campuses Regulations (EDGAR Part 86) require that, as a condition of receiving funds or any other form of financial assistance under any federal program, an institution of higher education (IHE) must certify that it has adopted and implemented a program “to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees” both on the institution’s premises and as part of any of its activities. According to the Part 86 regulations, if an IHE fails to submit the necessary certification when requested to do so or violates its certification, the Secretary of Education may terminate all forms of financial assistance whether from the Dept. of Education or other federal agencies (34 CFR Section 86.1 and 20. USC & 1145g.).

The Drug-Free Schools and Campuses Regulations also require IHEs to conduct a biennial review of the AOD (alcohol and other drugs) programs and policies to determine program effectiveness and consistency of policy enforcement and to implement any changes needed to either.

This legislation directs the NorthWest Arkansas Community College (NWACC) to maintain a written policy on alcohol and other drugs and to maintain a process that ensures policy distribution to all students, staff and faculty. The written policy must enumerate federal, state and/or local sanctions for unlawful possession or distribution of illicit drugs and alcohol, describe health risk associated with alcohol abuse or illicit drug use, describe College drug and alcohol programs available for students and employees, and specify disciplinary sanctions imposed on students and employees for policy violations. Also, the College is
required to conduct biennial reviews to assess the effectiveness of its alcohol and drug prevention programs.

In compliance with federal legislation, the Director of Student Conduct in the division of Student Services for NWACC has prepared this biennial review.

This biennial review has the following dates of coverage:

September 1, 2018-August 31, 2020

Creating a program that complies with the regulations requires an IHE to do the following:

1. Annually notify each employee and student, in writing, of standards of conduct; a description of appropriate sanctions for violations of federal, state, and local laws and campus policies; a description of health risks associated with AOD use; and a description of available treatment programs/options.
2. Develop a sound method for distributing annual notification information to every student and staff/faculty member each year.
3. Prepare a biennial report on the effectiveness of its AOD programs and the consistency of sanction enforcement.
4. Maintain a copy of the biennial review on file, available for inspection by the U.S. Department of Education.

The following campus units provided information for this report:

- Dean of Students
- Office of Student Conduct
- Office of Student Life and Activities
- NWACC Department of Public Safety
- Office of Policy, Risk Management, and Compliance
- Human Resources
- Office of Counseling & Wellness

The intention of this document is to meet the legal requirements of conducting a biennial review and also summarize the programs and activities related to alcohol and drug prevention and awareness on NWACC’s campus during the 2018-2019 and 2019-2020 academic years.

Materials Reviewed

- Complying with The Drug-Free Schools and Campuses Regulations (EDGAR Part 86), A Guide for University and Campus Regulations prepared by the Higher Education Center
- The Higher Education Amendments of 1998 (P.L. 105-244) and the Drug-Free Schools and Communities Act Amendments of 1989, (P.L. 101-226)
The NorthWest Arkansas Community College continues to be committed to an environment that discourages the inappropriate or illegal use of alcohol and drugs and to providing an environment that supports healthy decisions and lifestyles. The campus has established policies and procedures in place to enforce this commitment and provides education and information to those who need assistance as a result of their alcohol or drug use. In compliance with the requirements of the Biennial Review, we have completed the following checklist to serve as a guide for ensuring our campus population receives all required information:

1. Annually notify each employee and student, in writing, of standards of conduct; a description of appropriate sanctions for violations of federal, state, and local laws and campus policies; a description of health risks associated with AOD use; and a description of available treatment programs/options.
   a. Email to all NWACC community which will include information on campus policies (student and employee), conduct procedures and sanctions for violations, health risks associated with AOD usage, and a list of local, state and national resources and treatment programs/options
   b. This information will be included on the Wellness website for the DOS and links will be listed in the email
2. Develop a sound method for distributing annual notification information to every student and staff/faculty member each year.
   a. Create email notification to be distributed by PR/Marketing to all NWACC faculty, staff and students (including adjuncts, online students, and part time)
   b. Email will be sent no later than September 30th of each academic year
3. Prepare a biennial report on the effectiveness of its AOD programs and the consistency of sanction enforcement.
a. Due to the small number of alcohol and drug violations that take place it is not possible to measure the effectiveness of the awareness and prevention programs that the college offers.

4. Maintain a copy of the biennial review on file, available for inspection by the U.S. Department of Education.
   a. File will be maintained by DOS, Office of Student Conduct, and Risk Management Director.

Publications

Printed fliers and documentation on alcohol and drug usage are available in the Bentonville and Springdale Student Centers. Currently in the process of updating materials to make more recent information and statistics.

**Department of Public Safety**

In conjunction with the Dean of Students and the Office of Student Conduct, NWACC Department of Public Safety (DPS) officers enforce alcohol and drug abuse laws and related campus policies. They respond to alcohol and other drug complaints: intervening where necessary, issuing citations, making referrals to the Director of Student Conduct when appropriate, and handling emergencies.
DPS also maintains and publishes the “Clery Act Annual Security Report”, which provides alcohol and drug related information and statistics related to criminal activity.

**Summary**

The NorthWest Arkansas Community College is in compliance with the requirements for federal regulations including the Drug Free Schools and Campuses Regulation, has an effective AOD policy, consistently enforces standards of behavior related to AOD abuse and distributes the policy in writing to students.

Due to the small population, lack of community housing and general unique nature of the campus, the actual abuse of alcohol and/or drugs by our students and employees appears to be minimal, based upon the information and research available. We will continue to develop, evaluate, assess, and pursue the best practices for our campus to create a safe and healthy environment for our students and campus community.
