Preferred/Chosen First Name Change Request

If you are an NWACC employee, you must contact Human Resources for all information changes.

NWACC recognizes that students may wish to use a name other than their legal first name. When requested, the college will use a preferred first name on certain documents and most online information sources. The student's legal name will remain on their permanent records, including but not limited to: academic, employment, and tax records. Students may not designate a preferred last name. Students may file a legal name change by completing the Change of Information Form and providing the required documentation.
