INTERLIBRARY LOAN

If you are looking for a book or article that is not available in our collection, try FirstSearch on the library website (or the library tab in My NWACC Connection). This research tool can help you find the article or book you need. You can send us an Interlibrary Loan request directly from the search results.

Please Note: The Interlibrary Loan process usually takes 2 - 4 weeks. When possible, we encourage you to search local and ARKLink libraries before you consider Interlibrary Loan.

ARKLink

Would you like to use a local academic library such as The Mullins Library at the University of Arkansas in Fayetteville? ARKLink is a consortium of Arkansas academic libraries that have agreed to share resources. NWACC students, faculty and staff with responsible borrowing histories at NWACC Library now have limited checkout privileges at many academic libraries across Arkansas.

To obtain an ARKLink card or for more information, stop by the library or visit the ARKLink website at: <http://arklink-libraries.arkansas.edu/>.
