

POSITION ANNOUNCEMENT

Part-Time Faculty – Computer Aided Design

POSITION #: 999934

APPLICATION DEADLINE DATE: When filled (POOL)

NWACC
Learning For Living

Job Duties:

- Provide instruction on landscape architecture and garden and plant design using the latest version of AutoCad.
- Give input on course outlines and content so curriculum is up-to-date with current business and industry standards
- Offer support to students with minimal outside class hours to assist with projects and assignments
- Perform other duties as assigned

Qualifications:

Candidates must have completed a Bachelors or Professional Degree in any discipline that may include Architecture, Civil Engineering, Landscape Architecture or Engineering. Candidates must have 5-10 years experience in the field of Landscape Architecture with proven skills and technical proficiency in the development and documentation of landscape designs. Preferred experience in one or more autodesk software packages including AutoCad, REVIT, Civil 3D or Inventor.

This is a part-time position.
