

## College Wide Assessment Calendar

Assessment at NWACC is an ongoing yearly cycle, with review of specific area on a three year cycle. We coordinate our assessment to capture the learning that happens inside and outside the classroom. That's why assessment is a continual, ongoing process at our College. Each year, faculty and staff complete specific assessments, as the following table shows. All Programs/Offices/Co-Curricular Activities maintain a yearly Assessment Plan. This is the year they are reporting out but are required to do yearly assessments. (Executive Summaries)
