

NorthWest Arkansas Community colleges
Division of Communications and Art
Art Department

Course Number and Title

ART 2033, Figure Drawing II

Catalog Description

Advanced study of the figure with emphasis on figure structure and expression, and its relationship to pictorial form in drawing.

Prerequisites

ART 2013 Figure Drawing I

Credit hours/Contact hours/load hours

3/6/4.67

Target Audience/Transferability

This course is designed for art students transferring to art programs of four year colleges and working toward a bachelor degree in art, or for students completing the art requirements for the two year NWACC Associate of Fine Arts degree in Art. Successful completion of this course should prepare students for further study in the art field.

Student Learning Outcomes

Students completing this course will:

- Demonstrate problem solving ability as it relates to composition and spatial relationships of the human figure.
- Demonstrate creative problem solving with regard to the emotive and poetic expression of the human figure.
- Demonstrate proficiency in exploring different media in expressing the human figure.
- Demonstrate the ability to work independently as professional artists do.
- Demonstrate consistency of skill by creating, curating, and presenting a small selection of figure drawings.

Topics

- Creative perspective
- Composing the human figure in space
- Exploring different media
- Exploring the emotional impact of the human figure
- Working independently and professionally
