Standard Practices

Topics List

Technical exercises, etudes appropriate to level of experience, standard literature, performance practices, practice techniques

Learning Activities

- Through a variety of practice and performance techniques, learners will perform music with proper tone, intonation, technique and musicality to produce musically balanced performances.
- Using music from different periods, learners will demonstrate representative performance practices through technical studies, long tone exercises, and solos.
- Through rehearsal and performance experiences, learners will develop stage presence, performance confidence, and increased instrumental technique

Assessments

- Pre – Instructor will assess student’s current ability in the listed criteria and from this assessment will determine which literature is best suited for the semester’s work.
- Post – Students will perform before a panel of music instructors. Using feedback from this panel along with his/her own assessment, the instructor will determine how well the students have met the goals established at the beginning of the course. A chart reflecting progress will be completed for each student. Faculty use these jury results to assess at the course level.

Grading guidelines

- Learn notes and rhythms on music accurately outside of class through individual practice prior to lessons.
- Perform with excellent technical skill by playing or singing in tune, with control, characteristic sound, etc.
- Perform with musical sensitivity and expressiveness using correct articulations, phrasing, dynamics, etc.
- Respond to instructor’s suggestions.
- Demonstrate musical growth from prior lessons.
