*Prerequisite to the Paramedic Program. EMT-Basic is a prerequisite to entering the EMT Paramedic Program. Credit will be considered for Basic Emergency Medical Technician taken at other health care institutions such as Northwest Medical Center. A Current Arkansas Basic EMT certification is required. It is advised to take Anatomy and Physiology prior to entering the paramedic program.

**Admission into Advanced EMT-Paramedic Program & classes only upon approval from Allied Health Dept. & EMT-Paramedic Advisory Committee.

My advisor has explained this degree plan and I understand that I am responsible for following the above guidelines as defined in the college catalog for course prerequisites.
