Notes:

1. General Education Requirements, see Graduation Requirements section of UAFS undergraduate Academic Catalog OR follow the NWACC General Education Requirements. Mathematics stipulation-must take MATH 1203 College Algebra {1403}. MATH 2053 Finite if taking BUTR 1033 Data Analysis and Interpretation [STAT 2503]; for social sciences-must take PSYC 2003 General Psychology [PSYC 1163] and SOC 2013 General Sociology [SOCI 2753].
2. These courses are used to determine major GPA, see Graduation Requirements section of the UAFS Undergraduate Academic Catalog. Enrollment in courses beginning with DHYG prefix requires admissions to the dental hygiene program.
3. ITA requirement – CISQ 1103 Introduction to Computer Information Systems or ITA courses from UAFS.
4. These courses must be completed prior to entrance into the dental hygiene program.
5. Science courses taken more than five years prior to the program application may not be eligible. See advisor for more information and to request a science course evaluation

Prior to graduation, students must demonstrate competency in financial literacy by satisfactory completion of FIN 1521 Personal Finance Applications (or an approved substitution) with a grade of "C" or better, or by score of 70% or more on a challenge exam for FIN 1521.

ACTS Transfer Course Information

The Arkansas Course Transfer System (ACTS) contains information about the transferability of courses within Arkansas public colleges and universities. Students are guaranteed the transfer of applicable credits and the equitable treatment of the application of credits for the admissions and degree requirements. Course transferability is not guaranteed for courses listed in ACTS as "No Comparable Courses." See ACTS - Arkansas Course Transfer System acts.adhe.edu/studenttransfer.aspx for specific course information. See Acceptance of Transfer Credits section of the UAFS Undergraduate Academic Catalog for a complete list of transfer provisions.

Student Degree Program Requirements

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must reenter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
