NWACC's Board of Trustees periodically grants honorary associate degrees to recognize and celebrate outstanding service to the College and/or the community. The honorary degree is awarded to individuals who, beyond their normal occupational pursuits, exemplify a high caliber of service to enhance the quality of life.

Honorary associate degrees are awarded in five different areas:

- 2. Humanitarian Service:** Recognizing outstanding altruism that enhances the quality of life for others in the area.
- 3. Servant Leadership:** Recognizing outstanding service that goes “the second mile” beyond the servant’s paid job description in any area of leadership and that benefits others and/or enhances their leadership capabilities.
- 4. Arts and Letters:** Recognizing outstanding contributions to the arts in any form that enhances the quality of life in the area.
- 5. Entrepreneurial Leadership:** Recognizing outstanding contributions to business/industry through creative start-ups of new enterprises or through innovative management of business or industry.
