Step 1: Determine your completion date based on the last day of final exams in your last semester of required courses.

- A. My program completion date will be: _____
- B. 90 days prior to my completion date will be: _____
- C. 60 days following my completion date will be: _____

Significance of these dates:

- A. Pre-OPT authorization may not occur after this date.
- B. You may submit your Post-OPT application no more than 90 days prior to completion. This is the earliest date you may submit the application.
- C. Your Post-OPT must begin no later than 60 days after your completion. This is the last day you may request to begin.

I have calculated the dates and wish to request my Pre/Post-OPT to begin on: _____

Step 2: Have your academic advisor or major professor complete an Academic Recommendation Form (Do not complete any portion of this form yourself. Forms completed by the student cannot be accepted).

I have an Academic Recommendation Form which was completed (filled in AND signed) by my academic advisor or major professor.

Step 3: Obtain two passport-style photos. Write your name and I-94 number on the back of each photo using pencil or ballpoint pen (NOT gel or liquid ink pen). The photos must be current (taken with the last six months). Do not cut or staple them.

I have obtained two current passport-style photos and written my name and I-94 number on the back of each photo.

Step 4: Write a check or money order for application fee of \$380.00, payable to “**Department of Homeland Security.**” Make sure the dollar amount is written out in words as: “**Three hundred eighty and 00/100**” and that the check is signed and dated properly. Do not make any corrections on the check (such as crossing out an old address and writing in a new one, etc.) checks must be preprinted with the account holder’s name; temporary checks are not accepted. Cashier’s checks (written by the bank) are acceptable.

I have a check or money order payable to Department of Homeland Security, and the amount is written out as “**Three hundred eighty and 00/100**” dollars.

Step 5: Complete Form I-765 according to the instructions. Be sure to use the International Programs Office address in section 3: **International Programs Office, One College Dr., Student Center, Room 225; Bentonville, AR 72712.**

I have downloaded a Form I-765 from the USCIS website and have completed it as directed in the specific instructions provided by USCIS, and I have used the International Programs Office Address in Section 3.

Step 6: Gather your immigration documents (passport, I-94 card, I-20(s)/DS-2019(s), prior employment authorization documents, and any other documentation related to your immigration status) and make an appointment with an International Programs Office advisor to submit your OPT application. Remember that you may not apply for OPT earlier than date “B” you calculated in Step 1.

I have my passport, I-94 card, I-20(s)/DS-2019(s), and any other immigration status-related documents ready. I have scheduled an appointment to submit my OPT application to an IP advisor on:
