Working Definitions:

**Strategic planning** is the term used to identify the process by which the institution demonstrates its commitment to its mission and college goals, its shorter-term goals and objectives. The institution's mission and goals provide the local framework within which strategic goals and objectives are articulated. The college also aligns its strategic goals and objectives with the larger, more long-term college-wide goals. (What)

**Assessment** is the term used to identify the process by which the institution demonstrates the degree to which it meets its goals and objectives at various levels across the institution. This process includes setting goals and objectives, identifying the means for measuring the degree to which they have been met, reflection on the evidence provided by the measures and reflection on the findings, taking appropriate action, and repeating the process to ensure a sustained effort of purposeful change and improvement. (How well)

**Institutional effectiveness** means engaging in ongoing and systematic assessment of programs and services with the goal of continuous institutional improvement. Institutional effectiveness uses assessment processes to evaluate various dimensions of success, such as productivity, quality, resource efficiency, and stakeholder satisfaction to determine how effectively programs and services are contributing to the college mission, vision, values, strategic goals and community needs. (Communication and Improvement)

Structure:

**College Cabinet** – Provide leadership and direction for institutional effectiveness, strategic planning, budgeting, and assessment initiatives and priorities. Submit annual strategic objectives to the AVP for Learning.

Members: College President, VP for Learning/CAO, VP for Finance and Administration, VP for Career and Workforce Education, VP for Student Services, Executive Director for Community and Government and Marketing, Executive Director of Advancement, President of Faculty Senate

**AVP for Learning and Institutional Effectiveness** – Lead and facilitate institutional effectiveness, assessment and strategic planning initiatives at the college; Facilitate communication between administrative offices and college committees/groups/taskforces on institutional effectiveness, assessment, budgeting process, and strategic planning

- Generate Annual Strategic Plan Document
- Facilitate and coordinate strategic planning and institutional effectiveness processes on campus

**Office of Accreditation and Assessment** – Coordinate and facilitate college accreditation, assessment and program review processes while maintaining reporting requirements for external agencies.

**Office of Institutional Research** - Institutional Research strives to provide quality, timely, and accurate information to support decision making at NWACC while maintaining reporting requirements for external agencies.

**Academic Division Deans** – Academic Division Deans will provide leadership for general education assessment, course level assessment and program reviews. Working with their academic program coordinators/chairs and assessment coordinators, Deans will review data and make recommendations for program/course improvements to the CAO during the strategic planning process and will provide data for the HLC portfolio as needed by the college.

**Academic Coordinators/Chairs** – Academic Coordinators and Chairs will lead course level and program level assessment for their areas and provide data and recommendations to their Division Dean annually during the strategic planning process. In addition Coordinators/Chairs will respond to the annual program review survey administered by the Office of Accreditation and Assessment.

**Institutional Effectiveness and Strategic Planning**: Guide and communicate strategic planning, budgeting, institutional effectiveness and assessment processes for the college.

**Academic Program Review**

**ADHE Requirement:** Arkansas Code §6-61-214 requires that the Arkansas Higher Education Coordinating Board (AHECB) review existing academic programs. All certificate and degree programs offered by public colleges and universities in Arkansas will be reviewed every 7 – 10 years. Institutional program review schedules are on file at ADHE, and any schedule change must be submitted to ADHE.
Academic programs which are not program-specific accredited/licensed/state certified will be reviewed by external reviewers/consultants. The institution will complete a comprehensive self-study that is reviewed by the program consultants. Components of the self-study will include, but not be limited to, information related to:

- program need/demand,
- curriculum,
- faculty,
- resources,
- course delivery methods,
- student outcomes, and
- recent/planned program improvements

Institutions will select a minimum of two out-of-state reviewers affiliated with programs that are similar in mission and scope to the program under review. At least one consultant is required to conduct a site visit and meet with program faculty, students, and administrators. The consultants' written evaluation and institutional response will be sent electronically to ADHE within six weeks of receipt of the written evaluation.
