If bidding on other than referenced specifications, the bid **must** show the manufacturer, brand or trade name, and other descriptions, and should include the manufacturer's illustrations and complete descriptions of the product offered. The State **shall** have the right to determine whether a substitute offered is equivalent to and meets the standards of the item specified, and the State may require the vendor to supply additional descriptive material. ATTENTION BIDDERS

Act 2157 of 2005 of the Arkansas Regular Legislative Session requires that any business or person bidding, who is responding to a formal bid request, request for proposal or qualifications, or negotiating a contract with the state for professional or consultant services, submit their most current equal opportunity policy (EO Policy).

Although bidders are encouraged to have a viable equal opportunity policy, a written response stating the bidder does not have such an EO Policy will be considered that bidder's response and will be acceptable in complying with the requirement of Act 2157.

Submitting the EO Policy is a one-time requirement. The NWACC Purchasing Department will maintain a database of policies or written responses received from bidders.

This is a mandatory requirement when submitting an offer as described above.

Should you have any questions regarding this requirement, please contact my office by calling (479) 619-4210.

Sincerely,
