Intent to Award – RFQ-25-001 – Architectural and Engineering Services

To All Respondents:

Northwest Arkansas Community College (NWACC) has received the official recommendation award from the evaluation committee elected to review the bids requested for Architectural and Engineering Services. Upon the results of the evaluation, the recommendation for award extends to Core Architects.

Respectfully, this letter of “Intent to Award” serves as notification that will commence with the goal of a fully executed Purchase Order to be issued by NWACC.

NWACC is thankful for the attention of each respondent, and for the time and effort expended in responding to the IFB. We encourage and appreciate the participation of our vendor community.

Thank you for your interest and participation.

Sincerely,

Karen Walls
