Dr. Lois Chun, Dean of Science and Mathematics
Mr. Mark Wallenmeyer, Dean of Health Professions
Mrs. Sherri Bennett, Dean of Enrollment Management
Mrs. Jessica Chronister, Dean of Community & Student Engagement
Dr. Judd Harbin, Dean of Students

THE COLLEGE

Founded by voters in the Bentonville and Rogers Public School Districts on August 15, 1989, NWACC began as "the college without walls" and NWACC has been one of the fastest growing higher education institutions in the state. It thrives today as a college that truly cares about the students, faculty, and staff and the community we serve. Our credit enrollment is over 11,000 students per year with another 5,000 students taking non-credit or personal enrichment courses.

ACADEMIC REGALIA AND SYMBOLS

REGALIA

Gowns were worn as early as the 12th century. Their primary purpose then was to protect the wearer against the elements. When accepted styles of dress began to change in the 16th century, people in the legal and medical professions as well as scholars in the universities retained the traditional dress of gowns and hoods. The origin of the cap is unclear. Styles and colors had no particular meaning until 1985 when an "Inter-collegiate Code" established design and color criteria. The bachelor's gown has long pointed sleeves and is designed to be worn closed. The master's gown has an oblong sleeve open at the wrist; the rear part of its oblong shape is square cut, and the front part has an arch cut away. The gown may be worn open or closed. The doctor's gown is faced down the front with velvet with three bars of the same across the sleeves. It may be worn open or closed. The academic hood is the visual representation of the academic degrees. It is worn by faculty and staff with master's and doctoral degrees. Graduates wearing colored regalia, other than black, are high school students who have completed their Associate Degree through the Early College Degree Completion Program.

HONOR CORDS, STOLES & MEDALS

Students wearing gold cords are honor graduates. Summa cum laude graduates have a 4.0 grade point average on 24 or more credit hours taken at NWACC; magna cum laude graduates have earned a 3.5-3.9 grade point average.

Students wearing ebony & gold stoles are members of NWACC's chapter of Gamma Beta Phi, a national honor and service society. The stole bears the crest, which contains the watchwords of scholarship, service, and character. NWACC student members qualify with a 3.5 or higher grade point.

Students wearing gold stoles and blue and gold cords are members of the Beta Kappa Psi chapter of the International Honor Society of Phi Theta Kappa. NWACC student members qualify with a 3.5 or higher grade point.

Students wearing green and gold cords are members of Sigma Kappa Delta, a national English Honor Society for two-year colleges. SKD recognizes outstanding students of English language and literature. Members promote reading and literacy through

on campus and community events and must earn a minimum grade point average of 3.3 in general scholarship to join.

Students wearing gold medals with white ribbon represent the NWACC Student Ambassador and Government Association. These students are NWACC student leaders and dedicate countless hours to NWACC students and community.

Students wearing green and white cords
First Generation College Students.

Students wearing red, white and blue cords are current or veteran members of the Armed Forces of the United States of America.

Students wearing sashes with flags on them are International Students. The flags on the sashes represent their home countries.

The LIFE (Learning Improvement Fun and Empowerment) medallion is worn by LIFE mentors and represents the countless hours of volunteer service to NWA high school students.

Students wearing gold and black medals with green ribbon have completed their Associate Degree through the Early College Degree Completion Program.

Students wearing the white-ribboned medallion are graduates of the NWACC Honors Program and recognized for their commitment to academic challenge and deeper exploration within college coursework. The medallion, engraved with the student's name and major, features the Honors Program's core values: curiosity, community, and diversity. Students earn this distinction by completing honors classes designed to encourage critical thinking, creativity, and collaboration. Recognition is awarded at three levels: Honors Program Participants have completed two honors courses, Honors Program Graduates have completed three, and Honors Program Graduates with Distinction have completed four or more.

THE COLLEGE MACE

The Mace is a symbol of authority, often carried in academic processions. The NorthWest Arkansas Community College Mace was hand-carved and polished from walnut wood by Founding President Dr. Bob C. Burns in 1991.

HONORARY ASSOCIATE DEGREE IN EDUCATIONAL SERVICE

Becoming a registered nurse has been my dream since third grade, inspired by my aunt's passion for nursing and teaching. That inspiration eventually led me to a career not only in nursing but also in health professions education, where I find deep personal and professional fulfillment helping students reach their goals.

I began my healthcare journey at 16 as a Nursing Assistant at Springdale Memorial Hospital. I later earned my Associate Degree in Nursing (1982) and Bachelor of Science in Health Education (1987) from the University of Arkansas. Over the years, I've worked in a variety of settings including cardiac care, patient education, compliance auditing, hospice, mental health, and school nursing. My work in patient education helped launch the Lion's Club Diabetes Awareness and Service Center and the Cardiac Rehabilitation program at Northwest Medical Center. Teaching roles have included adjunct faculty positions and educator roles at Petra Allied Health, Springdale High School, and NWACC's Early College Experience, where I discovered a passion for working with high school students. Volunteer involvement includes serving on planning boards for The Jones Center for Families and the Community Clinic at St. Francis House. I've also taught piano and served my church community throughout my career.

One of the most rewarding parts of my journey has been mentoring students like Rachel Schaap, whose dedication and success reflect the true impact of education. She exemplifies the next generation of nurses and, I hope, future educators.

Lynette Bennett, RN, BSN, BSE

HONORARY ASSOCIATE DEGREE IN COMMUNITY ENHANCEMENT

I've been on a creative path for over 45 years. I'm an enthusiastic, creative person who wears a lot of hats—including fine artist, illustrator, designer, gallery manager, educator, and an executive of art organizations.

I am a realistic artist who has transitioned into multiple styles of painting, exploring abstract ideas and themes. I'm an expressive and intuitive painter in oils, acrylics, watercolors, pencils, and ink. I love light, movement and color, and I push myself to find the right subject and style for my work while staying open to everything around

me. I call myself a colorist. Everything is strong and bright, but there is a surrealistic twist to much of my work. My artistic voice continues to define itself with each piece that I do. The best part of being creative means not limiting myself as I explore what excites me.

To draw, to paint, to create. . . it's like breathing to me. I'm driven to create. Everything around me has form and function and is an expression of the beauty and the majesty of the world. We are all part of a creative force. To be a minor creator in this world is a wonderful privilege! To have the opportunity to share my work, my vision, and to help others find that spark of creative expression within themselves—that is the calling that I accept.

Stan Dark

DICK TRAMMEL OUTSTANDING ALUMNI AWARD

Martha Patricia Cortes was born in Durango, Mexico. She came to the USA in January of 1994. Martha is a former student of the Northwest Arkansas Community College Adult Education Program. Martha began working as a receptionist in 2002 and has served in various job positions within the same department. In July of 2007, she passed her US Citizenship test. In May of 2010, she received her Associates of Arts Degree from NWACC, and she is planning on completing a bachelor's degree in Human Resource and Workforce Development at the University of Arkansas in the near future. Martha encourages adult students to get involved in education to better their future and to pursue their dreams. Martha is the Enrollment Specialist at Northwest Arkansas Community College Adult Education Center. Martha and her husband Fabian live in Rogers and have four children and two granddaughters. Besides being a busy professional, she is also a wife and mother raising two amazing children.

Martha Cortes

NWACC DISTINGUISHED GRADUATE

During my time at NWACC, I developed leadership, academic, and professional skills that shaped my journey and aspirations. I served as Vice President of the Honors Student Association and Treasurer for the Student Government Association while actively engaging in clubs like Gamma Beta Phi, Exploring Arkansas Taste, and Global Affairs. I was the recipient of the 2024-2025 Honors Program Brown Chesne Award, for dedication to Community, Curiosity, and Diversity, and will graduate from the Honors Program with Distinction. Guided by chefs and professors, I embraced opportunities for growth and collaboration. At Brightwater, I deepened my belief that food brings people together. By creating better meals, I aim to foster meaningful connections while continuing to grow personally and professionally beyond academics.

NORTHWEST ARKANSAS COMMUNITY COLLEGE ALUMNI OATH

As an NWACC graduate, I commit myself to lifelong learning.

I pledge to apply the skills, knowledge, and values from my NWACC experience as I engage and improve the enterprises for which I work and the communities in which I live.

I acknowledge that I am now forever part of the NWACC family and will proudly help sustain NWACC's legacy for future generations.

CONGRATULATIONS, GRADUATES

WELCOME TO THE NWACC ALUMNI ASSOCIATION!

Top reasons why you'll love being an NWACC alumnus.

1. Alumni Networking - Meet new people, enhance relationships, and make connections through events like the Plant-a-Seed Soiree.
2. Membership Benefits and Savings - Enjoy the benefits of being an NWACC Alumni Association Member through Abenity. Abenity offers discounts across a multitude of products, services, and experiences such as discounted car rentals, amusement park discounts, and even savings on travel amenities.
3. Stay Involved - Keep current on activities and volunteer opportunities at NWACC through the alumni newsletter The NWACC Grad Pages and following us on social media **@nwacc_alumniassociation** and **@NWACCFoundation**.
4. Your Degree - A strong alumni association makes a stronger College and increases the value of an NWACC degree. For NWACC to continue to be a strong institution, strong alumni support is critical.
5. Check out **nwaccfoundation.org** for more information on the benefits of being an NWACC Alumni.
